**ARTS 4361.001 Graphic Design III**

**major projects**
There will be three major projects. Each project is broken down into a point system based on process and outcome. You will receive a grading rubric for each project that will outline the points broken down for that specific project.

**CLASSROOM POLICIES**

**late work**
This class will be run as a professional practice agency. Deadlines must be met in the industry or you lose the job. In the classroom, no late work is accepted. If you are unable to make the final critique of a project, please make arrangements with me to turn in & present to the class on an earlier date.

**plagiarism**
Plagiarism of imagery, copy (text) or layout of any kind will result in a grade of zero and you will be reported to the University for further action.

**class participation**
You are encouraged to participate in group critiques. Remember, all criticism is not bad. We are here to help you become a better communicator—please do not take any criticism personally. Also, you will be working in various small groups according to each project. This will count toward the final grade of your projects.

**attendance**
Class begins promptly at the scheduled time. If you walk in late, please remind me to count you present. If you know you need to miss a class, please let me know as soon as possible. More than 3 absences (no absence #4) will drop your grade one letter.

**studio work time**
We share CCH 231 with a number of other classes. This studio is scheduled in the room for 6 hours per week. You are required to stay in class until the end of each class to work on your projects. There is very little outside of class time opportunities to work in CCH 231. Therefore, you must make the most of your time in the studio. CA 201 is also available with 8 computers.

**ADVISING**
The college of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. The Academic Advisor will set up a degree plan, which must be signed by the student, a faculty mentor, and the department chair. The College's Academic Advising Center is located in Driftwood 203E, and can be reached at 825-3466.

**GRADE APPEAL PROCESS**
As stated in University Rule 13.02.99.C2, Student Grade Appeals, a student who believes that he or she has not been held to appropriate, academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Rule 13.02.99.C2, Student Grade Appeals, and University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Web site at http://www.tamucc.edu/provost/university_rules/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Office of Student Affairs.
