GRADE APPEAL PROCESS

As stated in University Rule 13.02.99.c2, Student Grade Appeals, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal.

A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. IF the problem cannot be resolved at this level, the student may take the steps below.

1. Presentation of grievance to instructor. (This step must be taken within fourteen calendar days after the beginning of the next term.
2. Appeal to department chair or area coordinator.
3. Written appeal to the University Academic Standards Grievance Committee.
4. Preliminary review and advising by an ombudsman appointed by the Provost.
5. Submission of file by department chair to the chair of the University Academic Standards Grievance Committee.
6. Review of file by committee chair and submission of case to committee.
7. Proceedings of the University Academic Standards Grievance Committee. (Committee holds hearing, reviews data, presents findings to all parties, and makes recommendation to Provost.)
8. Decision by Provost.
9. Final appeal in writing to the Provost if student or instructor thinks appropriate procedures have not been followed.

For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Rule 13.02.99.c2, Student Grade appeals, and University Procedure 13.02.99.c2.01, University Rules Website at http://www.tamucc.deu/provost/university_rules/index.htm.
