      ii. Modulation – weeks 3-7
      iii. Mode Mixture – weeks 8-10
      iv. Neapolitan chords – weeks 11-12
      v. Augmented Sixth Chords – weeks 13-14

III. Attendance Policy

Since every class will cover new material, good attendance is essential for your success. Plan to attend every class meeting, with the reading assignment completed beforehand, and with your books in hand.

The attendance policy for this course is the following:
- You are allowed four absences from class for any reason. A student must be present for the majority of a class meeting to be counted as “present”.
- After the fifth absence (regardless of the reason), your final course grade will be lowered by one letter grade.
- After the sixth absence (regardless of the reason), you will receive a failing grade in the course.
- Arriving late or leaving early from class counts as ½ an absence.

Students who do miss class are expected to contact the instructor regarding any missed work. It is YOUR RESPONSIBILITY to find out what was covered and make up missed work as soon as possible. Because this course will move very quickly, late homework assignments will not be accepted (except with medical documentation). Assignments must be completed prior to the beginning of class and turned in at the assigned time.
Students who miss exams or quizzes will ONLY be allowed to make them up with either a written doctor’s excuse, a letter from a faculty member stating the student was involved in an official school function, or a death in the family. Make-up exams and quizzes are time-consuming and difficult to schedule and administer. Students should always strive to attend every class and especially every day with a scheduled quiz or exam.

IV. Graded Activity (exam dates subject to change)

- There will be four exams, daily homework assignments, and occasional, unannounced in-class quizzes. The exams will consist of written exercises similar to those completed during prior homework assignments. Daily homework assignments are designed to allow you to practice the material discussed during each class period. Homework is always due at the beginning of the next class period, unless instructed otherwise. Late homework will not be accepted. Homework is to be completed independently. Study groups are encouraged, but copying of homework is not only damaging to the learning process, but it is also cheating. If you need help, please see either me or the departmental theory tutor.

the student, a faculty mentor, and the department chair. The College's Academic Advising Center is located in Driftwood 203E, and can be reached at 825-3466.

VII. Grade Appeal Process

As stated in University Rule 13.02.99.C2, Student Grade Appeals, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Rule 13.02.99.C2, Student Grade Appeals, and University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Web site at http://www.tamucc.edu/provost/university_rules/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Office of Student Affairs.
