Intermediate Accounting II

COURSE DESCRIPTION:
A continuation of Intermediate Accounting I involving non-current liabilities and owner equity accounts, the
Statement of Cash Flows, pensions, deferred Income Tax, financial statement analysis and several special problem
areas. Prerequisite: ACCT 3311 and Junior standing or above.

LEARNING OBJECTIVES:
Textbook has all learning objectives identified by the author. Please check the specific chapters in the text.

MAJOR COURSE REQUIREMENTS
Student performance will be evaluated on quizzes, and tests. The relative weights of each of these components
are as follows.

<table>
<thead>
<tr>
<th>Component</th>
<th>Weight</th>
</tr>
</thead>
<tbody>
<tr>
<td>Three Tests</td>
<td>300 pts</td>
</tr>
<tr>
<td>Chapter Quizzes</td>
<td>100 pts</td>
</tr>
<tr>
<td>Chapter Problems (located on web page)</td>
<td>100 pts</td>
</tr>
<tr>
<td>Final Exam (optional)</td>
<td>100 pts</td>
</tr>
<tr>
<td>Total</td>
<td>500 pts</td>
</tr>
</tbody>
</table>

A letter grade will be determined based on the percentage earned of total points possible, as follows: A:
90-100%; B: 80-89%; C: 70-79%; D: 60-69%; F: 0-59%. In some instances, a curve may be applied in
determining letter grades. There will be three tests and a series of quizzes given during the semester. For all
tests in this class you may have a single sided sheet of notes. Chapter problems must be turned in during
the class period following the completion of the chapter that the problem is located in. Example: if we
finish chapter 16 on Tuesday then the problem from chapter 16 would be due Thursday. Being late to class
or having to leave early or having to temporarily leave during a class will result in a 1% reduction or 5
points from the 500 possible shown above.

Turn-in (each chapter has a problem to do and turn in; these are due the day after we finish the chapter.
Example if we finish chapter 15 on Monday then the problem for chapter 15 would be due on Wednesday.)
The final exam will be taken to throw out any single test, series of quizzes or series of homework that you
have going into the final. If you are happy with your grade going into the final then you are excused.

COURSE POLICIES
The use of excel is encouraged in this class. If you miss a test you will get a zero there are no makeup. My e-mail
address is steven.hall@tamucc.edu My Internet site is http://faculty.tamucc.edu/shall/
Turn off or put on silent mode all cell phones during this class. Your talking in class time bothers some of the other students that paid good money to come here and they wish to learn. This class is not so long I expect that once you arrive you can stay until the end of class. Notebook computers are not to be used in class. Attendance is expected. No points are allocated for attendance and therefore, attendance will not be taken on a daily basis. However, in the experience of the instructor, there is a high correlation between lack of attendance and low grades. Talking among students during lectures will not be tolerated. Late arrivals to class should be kept to a minimum. Early departures from class should be cleared with the instructor before class begins. Students are not free to get up and walk in and out of class during lectures. Cellular phones and other disruptive electronic devices must be turned off during lectures. No food or drinks will be permitted in class.

ACADEMIC INTEGRITY
University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, forgery, or plagiarism. (Plagiarism is the presentation of the work of another as one's own work.) I will fail you for any violation of Academic Integrity.

DROPPING A CLASS
I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with me before you decide to drop to be sure it is the best thing to do. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from class. April 12, 2013, is the last day to drop a class with an automatic grade of “W” this term.

CLASSROOM BEHAVIOR
Texas A&M University-Corpus Christi, as an academic community, requires that each individual respect the needs of others to study and learn in a peaceful atmosphere. Under Article III of the Student Code of Conduct, classroom behavior that interferes with either (a) the instructor’s ability to conduct the class or (b) the ability of other students to profit from the instructional program may be considered a breach of the peace and is subject to disciplinary sanction outlined in article VII of the Student Code of Conduct. Students engaging in unacceptable behavior may be instructed to leave the classroom. This prohibition applies to all instructional forums, including classrooms, electronic classrooms, labs, discussion groups, field trips, etc.

GRADE APPEALS
As stated in University Rule 13.02.99.C2, Student Grade Appeals, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Rule 13.02.99.C2, Student Grade Appeals, and University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Web site at http://www.tamucc.edu/provost/university_rules/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Office of Student Affairs.

DISABILITIES ACCOMMODATIONS
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact the Disability Services Office at (361) 825-5816 or visit the office in CCH 116. If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.
