**XIII. DISABILITIES ACCOMMODATIONS**

*Americans with Disabilities Act (ADA)* - The ADA is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disability. If you believe you have a disability requiring an accommodation, you must contact the Disability Services Office (DSO) at (361)825-5816 or visit the office in Driftwood 101. Any accommodations needed are required to come through the DSO. The DSO will then contact your professor and set up necessary provisions. Do not seek accommodations directly from your professor because professors do not have the authority to make such decisions/modifications.
