**Course Requirements and Grading**

1. **CRITIQUES** - Satisfactory completion of assignments on time for critique. A Critique is the equivalent of an exam. There is a list of critique dates attached. Sometimes these dates have to be modified because of weather, equipment problems or conflicts with other activities. If you know in advance that you will miss a critique, you may receive partial credit if you hand in your work early. IT IS YOUR RESPONSIBILITY TO KEEP UPDATED ON CHANGES TO THE SCHEDULE BY CONTACTING THE PROFESSOR OR OTHER STUDENTS.

2. **ATTENDANCE & ****CLASS PARTICIPATION** - Students are expected to punctually attend EVERY class and share knowledge, ideas, and reactions with other students and professor. THREE unexcused absences will result in one grade drop for the semester. THREE late arrivals to class will count as one unexcused absence. If a class is missed for any reason, a make-up exercise will be determined by the professor. Students who intend to drop this class are advised to do so as soon as possible to enable others to enroll for the class. I do not have the ability to drop a student from the rolls, only to grade according to my attendance policies.

3. **EQUIPMENT** - Safe and Cooperative use of the equipment by students enrolled in the class. No others (including family members, friends, or pets) may use the computers or printers.

**A Statement about computer use, ipad use and phone use**: There will be no use of Facebook, email, other social media websites and the internet in general during class. If you will be working on something relevant to the class, you will notify the professor of this use. You may not leave class for a phone call. You may use the computer for note taking. The professor may ask you to leave the classroom (with a zero, absence, for the day) if you do not follow these instructions!

Because art studios use materials and tools that could be dangerous, safe and cooperative behavior by students is absolutely necessary. The studio course instructor will be the ultimate judge of cooperative as well as safe and unsafe behavior. Individuals engaging in uncooperative and/or unsafe behavior will be cautioned and instructed once by the instructor. If a second occasion of uncooperative and/or unsafe behavior occurs, that student will be un-enrolled from the course and given a “wd” with no refund of tuition and fees. Printers are for use for assignments for Photo I class only! *Using color printers in the photography lab for other classes is considered improper use. Please do not print your photos*
during other classes.

The Photography Darkroom lab is for the use of students enrolled in Art 3365, 4365, 5306 and 5316 and may only be used during your assigned class time and the posted lab hours. Any exceptions to this rule, such as students working on a BFA, MA or MFA exhibition, will be cleared by Barbra Riley.

4. QUIZZES. There will be three History of Photography quizzes, and a quiz on the Syllabus! More Quizzes if needed.

**Still Life Studio Demonstration**

Bring either rustic cheese (not sliced, rind edges), rustic bread (also not sliced), or photogenic fruit (something that will look great in a still life and good to eat later). Also, of course your cameras with BATTERIES CHARGED and plenty of memory available. If you have a tripod, bring it.

We will make still lifes that show contrast – in light, in color and in subject matter, therefore we might add 21st century items that will contrast with the look of the rustic food, such as key chains, cell phones, other contemporary items. Be creative and bring a few things.

The plan is to begin with an untouched still life and slowly begin to cut the bread, cheese, fruit, eat it, continue photographing. So we acquire images that have some variety. **We will set up in the Photography Studio, CA 226.**
