IX. Course Policies and Schedule

Advice from Dr. Ward

- EDUC 5351 is a compacted course representing three semester credits hours which has previously been delivered as a full-semester course. Therefore, until the course is completed, “each day there will be something to do.” The “Course unit sequence” found in the left menu provides a weekly agenda for each of the five units along with the mid-term and final exam weeks.

- Read and study the syllabus prior to beginning the course. Review the syllabus periodically so that you are able to “stay one step ahead.” Create your own EDUC 5351 work schedule by merging the course assignments/due dates into your own personal calendar.

- Consider these questions . . . “Is teaching a profession?” . . . . “Does our society expect its professionals to undergo rigorous training to be effective in difficult, challenging situations?” If so, then you should expect an element of rigor in your preparation for becoming a professional educator. “Work hard, have fun!”

XII. Grade Appeals
As stated in University Rule 13.02.99.C2, Student Grade Appeals, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Rule 13.02.99.C2, Student Grade Appeals, and University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Website at http://www.tamucc.edu/provost/universityrules/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Office of Student Affairs.

XIII. Disabilities Accommodations
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Driftwood 101. If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816. The student has the responsibility of informing the course instructor of any disabling condition that will require modifications to avoid discrimination. http://disabilityservices.tamucc.edu

XIV. Academic Honesty
University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to a penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, forgery, or plagiarism. (Plagiarism is the presentation of the work of another as one's own work.) http://falcon.tamucc.edu/~students/JAffairs/ja_hndbk_academic_info.htm
