TAMUCC Concert Band

MUEN 1122

Fall 2013

Director: TBA

Rehearsals: Mon./Wed. 5:00-6:15 p.m.

Course Objective: Personal musical and creative growth is the overriding goal of the TAMUCC Concert Band. Regardless of the students course of study, the TAMUCC Concert Band serves an important aesthetic and social role. The selection, rehearsal, and performance of a wide range of music are intended to challenge ensemble members aesthetically, musically, and intellectually.

Expectations: The role of the conductor is the selection and preparation of quality repertoire, and the use of appropriate rehearsal techniques to bring that music to life (both in rehearsal and performance). It is imperative that each student accepts the responsibility of mastering the technical details — outside of the ensemble rehearsal—of his/her individual parts immediately following the initial reading. Attendance, punctuality, and preparation are understood as required of all players.

All Concert Band students are expected to complete a short audition for chair placement at the beginning of the semester. As the audition times will be during class time, failure to complete an audition will result in an unexcused absence.

Grading: Each ensemble member meeting expectations (i.e. preparation, attendance, growth) and having no unexcused absences from rehearsals/performances will receive a grade of “A.” Those not meeting expectations will receive a grade of “B” or lower. In the case of substandard preparation/growth, the student will be called into a conference with the director in an effort to ameliorate the situation before the grade is lowered.

Excuses from performances and rehearsals are extremely rare (i.e. death in the family). Each unexcused absence from rehearsal will lower the student’s grade by one full letter grade. Four unexcused tardies will equal one unexcused absence. An unexcused absence from a performance will result in a failing grade.

IMPORTANT: If you find that you are unable to attend a rehearsal or performance for any reason, you must contact the director by email (preferred), phone, or in person before said rehearsal or performance. If impossible to do so (car accident on the way to rehearsal, etc.), contact the director as soon as possible.

**Grade Appeal Process**
- As stated in University Rule 13.02.99.C2, Student Grade Appeals, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal.
- A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. If the problem cannot be resolved at this level, the student may take the steps below.
  1. Presentation of grievance to instructor. (This step must be taken within fourteen calendar days after the beginning of the next term.)
  2. Appeal to department chair or area coordinator.
  3. Written appeal to the University Academic Standards Grievance Committee.
  4. Preliminary review and advising by an ombudsman appointed by the Provost.
  5. Submission of file by department chair to the chair of the University Academic Standards Grievance Committee.
  6. Review of file by committee chair and submission of case to committee.
  7. Proceedings of the University Academic Standards Grievance Committee. (Committee holds hearing, reviews data, presents findings to all parties, and makes recommendation to Provost.)
  8. Decision by Provost.
  9. Final appeal in writing to the Provost if student or instructor thinks appropriate procedures have not been followed.

For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Rule 13.02.99.C2, Student Grade Appeals, and University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures.
