**Grading:**

There will be 3- 5 quizzes. Two group reviews will be presented by student study groups. A spokesperson from each group will present information to the class and grading will be dependent on material presented. Also required will be two concert reaction papers, a midterm exam, and a final exam. Reports will be written on the two concerts and shall be presented to the class on an individual basis. Assigned concerts will be in the Performing Arts Center on the TAMUCC campus. (A concert schedule will be given to you in class.)

- Quizzes (including reports) 25%
- Concert Papers 25%
- Mid Term 25%
- Final exam 25%

Missed quizzes: A valid excuse will allow you to make up ONLY one quiz. After 5 absences, your grade will be lowered one letter for each absence. Monday evening 2 1/2 hour class time equals 2 absences for each missed class.
Testing:

Each quiz is designed to review the assigned chapters. It is important to keep good notes on all class discussions. All quizzes, (including group reviews) will count 25% of the total class grade. I encourage you to participate in class discussions. The nature of most class assignments will be taken from the text. Some questions on quizzes will be taken from class lectures and will not necessarily be found in the text.

Videos will also be shown for your understanding and enjoyment of all periods of music to be studied.

Testing dates will be given approximately every two weeks on the last class day of the week. I will remind you about quiz days and the material to be covered. Midterm: Date TBA; Final: Date TBA

Concert attendance (two) (only in the Performing Arts Center), will be completed by writing a page about the concert (typed and double spaced). Did you enjoy the program? What was your impression of the total program? The paper must be turned in to me the next class day after the concert.

Attendance: Every class is essential, and attendance is necessary for success. A daily sign in sheet will be available so that your attendance may be monitored.

Academic Advising:

The College of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. The Academic Advisor will set up a degree plan, which must be signed by the student, a faculty mentor, and the department chair. The College's Academic Advising Center is located in Driftwood 203E, and can be reached at 825-3466.

Grade Appeals:

As stated in University Rule 13.02.99.C2, Student Grade Appeals, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Rule 13.02.99.C2, Student Grade Appeals, and University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Web site at http://www.tamucc.edu/provost/university_rules/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Office of Student Affairs.

Disabilities Accommodations:

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall, Room 116.

If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.
