Course Policies:
You are expected to come prepared for class and to make thoughtful contribution in class. If you do not understand something, ask. It is very important that we discuss issues related to government and their impact on the community. You should be exposed to a variety of opinions that may differ from your own. Respect those opinions and use them to help you reflect on why people hold different views.

Class lectures provide the basis for the course. Concepts and information that I deem important will be presented in class. Regular and consistent attendance is essential if you want to do well in the course.

Class Attendance:
All students are expected to attend EVERY class. The major valid excuses for missing a class are illness and death. Notes and grades are available through Blackboard.

Participation:
Students are able to earn a maximum of 10 percent based on participation points. I will take random roll call using sign-in sheets approximately 10 times during the semester. The participation points will be awarded as follows based
on unexcused absences. If you have an excused absence (university-related, illness with M.D. excuse), you must bring me documentation.

In this class, academic misconduct or complicity in an act of academic misconduct on an assignment or test will result in a grade of F.

**Dropping a Class**
I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with me before you decide to drop to be sure it is the best thing to do. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from the class. April 11, 2014 is the last day to drop a class with an automatic grade of “W” this term.
Classroom/professional behavior
Texas A&M University-Corpus Christi, as an academic community, requires that each individual respect the needs of others to study and learn in a peaceful atmosphere. Under Article III of the Student Code of Conduct, classroom behavior that interferes with either (a) the instructor’s ability to conduct the class or (b) the ability of other students to profit from the instructional program may be considered a breach of the peace and is subject to disciplinary sanction outlined in article VII of the Student Code of Conduct. Students engaging in unacceptable behavior may be instructed to leave the classroom. This prohibition applies to all instructional forums, including classrooms, electronic classrooms, labs, discussion groups, field trips, etc.

Academic Etiquette:
There are certain rules that apply to my classes. It is difficult to learn in an environment that is not conducive to learning. Such activities include: talking to neighbors during class, reading newspapers, walking in late and going up the central aisle, napping, walking out of class prior to being dismissed. It is disrespectful to me and to the class. If you do not abide by these rules, you will be asked to leave my class. Please silence your cell phones during my class.

Incompletes:
A grade of incomplete will be given only for extreme emergencies and will necessitate appropriate documentation. You must request a grade of "incomplete" and sign a form agreeing to the terms for a grade of “I.” However, you must have completed 75% of the coursework.

*Notice to Students with Disabilities*: The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.

**Academic Advising**: The College of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. The Academic Advisor will set up a degree plan, which must be signed by the student, a faculty mentor, and the department chair. The College's Academic Advising Center is located in Driftwood 203E, and can be reached at 825-3466.
GRADE APPEALS PROCESS: Students who feel that they have not been held to appropriate academic standards as outlined in this class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details on the process of submitting a formal grade appeal, please visit the College of Liberal Arts website, cla.tamucc.edu/students/studentinfo.html.
