PHOTO I – DIGITAL PHOTOGRAPHY

Class Description
This is an introductory studio course using digital cameras and image manipulation software. History of Photography will also be covered.

Learning Objectives
- Student will learn basic photographic techniques using a digital camera
- Student will produce aesthetically pleasing images using electronic image manipulation.
- Student will create well-composed images related to personal expression.
- Student will have exposure to contemporary & historical photographs.
- Student will produce an edited portfolio of 20 digital photographs.
- Student will produce an illustrated research paper comparing one’s own photographs to a photographer of importance from Beaumont Newhall’s History of Photography.

The professor will supply a schedule for demonstrations, lectures, critiques, and class trips. Sometimes these dates will have to be modified for various reasons. It is the student’s responsibility to keep abreast of these possible changes. There will be 3 History of Photography quizzes (match photographer to the description), a Final Portfolio and a Final Project. The Final Project will consist of a 3-5 page essay that will include the selected photographer’s name, country and important dates, information about their style, technique, and contributions to the history of photography and how your photographs relate to the work of your selected photographer, specifically.

The class lectures and labs will meet in CCH209, computer graphics lab, unless other arrangements are discussed during class.

This is a Studio Art Class. Students are expected to work directly with the professor during the full class times.

Major Course Requirements
1. CRITIQUES - Satisfactory completion of assignments on time for critique. A Critique is the equivalent of an exam. There is a list of critique dates attached. Sometimes these dates have to be modified because of weather, equipment problems or conflicts with other activities. If you know in advance that you will miss a critique, you may receive partial credit if you hand in your work early. IT IS YOUR RESPONSIBILITY TO KEEP UPDATED ON CHANGES TO THE SCHEDULE BY CONTACTING THE PROFESSOR OR OTHER STUDENTS.
2. ATTENDANCE & CLASS PARTICIPATION - Students are expected to punctually attend EVERY class and share knowledge, ideas, and reactions with other students and professor. THREE unexcused absences will result in one grade drop for the semester. THREE late arrivals to class will count as one unexcused absence. If a class is missed for any reason, a make-up exercise will be determined by the professor. I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with me before you decide to drop to be sure it is the best thing to do. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from the class. November 15 is the last day to drop a class with an automatic grade of “W” this term.

3. EQUIPMENT - Safe and Cooperative use of the equipment by students enrolled in the class. No others (including family members, friends, or pets) may use the computers or printers.

Because art studios use materials and tools that could be dangerous, safe and cooperative behavior by students is absolutely necessary. The studio course instructor will be the ultimate judge of cooperative as well as safe and unsafe behavior. Individuals engaging in uncooperative and/or unsafe behavior will be cautioned and instructed once by the instructor. If a second occasion of uncooperative and/or unsafe behavior occurs, that student will be unenrolled from the course and given a “wd” with no refund of tuition and fees. Printers are for use for assignments for Photo I class only! Using color printers in the photography lab for other classes is considered improper use. Please do not print your photos during other classes.

The Photography Darkroom lab is for the use of students enrolled in Art 3365, 4365, 5306 and 5316 and may only be used during your assigned class time and the posted lab hours. Any exceptions to this rule, such as students working on a BFA, MA or MFA exhibition, will be cleared by Barbra Riley.

A Statement about computer use, ipad use and phone use: There will be no use of Facebook, email, other social media websites and the internet in general during class. If you will be working on something relevant to the class, you will notify the professor of this use. You may not leave class for a phone call. You may use the computer for note taking.

The professor may ask you to leave the classroom (with a zero, absence, for the day) if you do not follow these instructions!

4. QUIZZES. There will be three History of Photography quizzes.

Still Life Studio demonstration
Bring either rustic cheese (not sliced, rind edges), rustic bread (also not sliced), or photogenic fruit (something that will look great in a still life and good to eat later). Also, of course your cameras with BATTERIES CHARGED and plenty of memory available. If you have a tripod, bring it.

We will make still lifes that show contrast – in light, in color and in subject matter, therefore we might add 21st century items that will contrast with the look of the rustic food, such as key chains, cell phones, other contemporary items. Be creative and bring a few things.
The plan is to begin with an untouched still life and slowly begin to cut the bread, cheese, fruit, eat it, continue photographing. So we acquire images that have some variety. **We will set up in the Photography Studio, CA 226.**

*Academic Integrity/Plagiarism.*
University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, falsification, forgery, complicity or plagiarism. (Plagiarism is the presentation of the work of another as one’s own work.) In this class, academic misconduct or complicity in an act of academic misconduct on an assignment or test will result in a failing grade on the assignment or in the class.

Disabilities Accommodations***
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall 116.

If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.

**ACADEMIC ADVISING:  The College of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. The Academic Advisor will set up a degree plan, which must be signed by the student, a faculty mentor, and the department chair. The College’s Academic Advising Center is located in Driftwood 203E, and can be reached at 825-3466.

Grade Appeals***
As stated in University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Web site at http://www.tamucc.edu/provost/university_rules/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Dean’s office in the college in which the course is taught or the Office of the Provost.
