I. Course Description (3 semester hours)
This course is an orientation to the profession of counseling, its history, professional standards, code of ethics, credentials, areas of specialization, and the development of necessary skills to create a helping relationship. It covers the counselor’s professional identity in a variety of settings and roles. Opportunities are provided for students to discover through self-awareness their suitability for the helping profession.

II. Rationale
This course is designed to give students an overview of the counseling profession and to help examine personal motives for becoming helpers. It should be taken early in a student’s counselor preparation program.

III. State Adopted Proficiencies for School Counselors
Standard I Learner-Centered Knowledge: The certified school counselor has a broad knowledge base.

Standard II Learner-Centered Skills: The certified school counselor applies the knowledge base to promote the educational, personal, social, and career development of the learner.

IV. TEExES Competencies
Competency 001 (Human Development): The school counselor understands processes of human development and applies this knowledge to provide a developmental guidance program, including counseling services, that meets the needs of all students.

Competency 008 (Collaboration with Families): The school counselor knows how to communicate effectively with families and establish collaborative relationships that enhance work with students.

Competency 009 (Collaboration with Others in the School and Community): The school counselor understands how to work collaboratively with other professionals and with community members to promote positive change and to facilitate student learning.

Competency 010 (Professionalism): The school counselor understands and complies with ethical, legal, and professional standards relevant to the profession.
V. Course Objectives/Learning Outcomes

This course is designed to meet CACREP II 2009 Standards. The following standards are covered in this course.

VI. **Course Topics**

*The major topics to be considered are:* Orientation to the profession of counseling including, ethical and legal issues, licensure, professional organizations, theoretical paradigms, basic counseling skills, supervision, consultation, advocacy, multicultural, assessment, accountability, and outcome research.

VII. **Instructional Methods and Activities**

*Methods and activities for instruction include:*

A. Traditional Experiences (lecture/discussion; demonstration; guest speaker; on-line activities; video; case studies)

B. Clinical Experiences (simulations; cooperative groups; student demonstrations or presentations; guided discovery; role play)

C. Field Experiences (use of community resource)

VIII. **Evaluation and Grade Assignment**

*The methods of evaluation and the criteria for grade assignment are:*

1. **Examinations:** There are two examinations online, a midterm and a final. Questions are objective, in preparation for state licensure examination, such as multiple-choice, true and false, and case scenarios. The midterm will include an additional essay section to cover counseling theories. There will be no make-up exams given unless documentation is provided by a professional stating the reason for the absence.

2. **Face-to-Face Interview:** This hands-on outside assignment requires students to have a face-to-face experience to explore the world of a practicing professional and to help students understand professional roles, functions, professional identity and relationships with other human service providers. To maximize learning, students turn-in a 4 to 5 page report using APA writing format and present a one-page summary of the interview in class to share knowledge of opportunities in the community.

3. **Quizzes:**

   Online chapter quizzes

4. **Case Studies:**

   Case studies are prepared in advance of the class session to ensure full class participation and to earn a homework grade. (Homework Assignments)

5. **Journal Entries:**

   Journal questions are posted on Blackboard and must be completed by the specified time to receive credit.
6. Group Assignment:
**Assignment- History and Philosophy of Counseling Profession**
- Select an assignment for your group
- Divide the work among the members
- Research in your text and online for additional information
- Supplement text information with three or more lines of text for each entry
- Compile material into one document
- Post completed assignment on Blackboard
- Give feedback through discussion board

7. Class Participation:
Students must complete homework assignment prior to class and be physically present in class to get credit for participation.

8. Group Role-Plays
Students will form groups and present role-plays in class.

**Methods and Percentage of Final Course Grade**
The grading system is based on the accumulation of points.

**B. Class Policies**

- Students are expected to attend all class and to be on time.
- Students are expected to be courteous by turning off cell phones and/or other electronic devices during class.
- Students are expected to notify the professor if an unavoidable absence is required and he/she should consult with small group members about class notes, handouts, and/or exercises. Points (15) will be deducted from the final grade for three or more absences except in extenuating circumstances.
- Students are expected to consult Blackboard to prepare assignments ahead of time to avoid a late penalty. All late assignments will receive a ten-percent late penalty.
- Students are expected to participate actively in class and complete journal assignments.
Students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, falsification, forgery, complicity or plagiarism. (Plagiarism is the presentation of the work of another as one’s own work.) In this class, academic misconduct or complicity in an act of academic misconduct on an assignment or test will result in no credit for the work in question.

Students please consult with professor before deciding to drop a class. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from the class. Check for the last day to drop a class with an automatic grade of “W” this term.

XI. Bibliography

XII. Grade Appeals
As stated in University Rule 13.02.99.C2, Student Grade Appeals, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Rule 13.02.99.C2, Student Grade Appeals, and University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Web site at http://www.tamucc.edu/provost/university_rules/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Office of Student Affairs.

XIII. Disabilities Accommodations
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall. If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.

XIV. Emergency Contingency Plan
In the event of a campus evacuation I will make every effort to continue teaching your course. Should such an event occur, I will continue to interact with you by using the Blackboard Announcement, Bb Messages, Email, Collaboration, Discussions, Blogs, Journals, and/or Wikis tools. If you have access to the Internet, you will be able to continue your coursework by posting assignments and interacting with me as well as each other online. You will also be able to take your tests online using the Assessments tool and see your grades on assignments, quizzes, and tests using the My Grades tool.
