Additional readings/screenings will be provided on Blackboard throughout the semester. While these may not be listed on the course schedule, you will be responsible for reading and understanding this material before turning in projects and taking exams.

SPECIAL REQUIREMENTS:  
A considerable amount of time outside of class is required for projects, screenings, and exercises.

Blackboard is the preferred method of communication in this class. Get in the habit of checking it regularly.

REQUIRED MATERIALS:  
- 2 SDHC Cards (i.e., Transcend 16GB SDHC Memory Card Premium Class 10 UHS-I)  
- 1 external hard drive (i.e., Seagate 1TB Backup Plus Portable Drive USB 3.0)  
- Funds are necessary to print and make copies for major projects.

*It is recommended that you keep all of your media backed up on two different drives. If it isn’t backed up twice, then it is best to assume that it isn’t backed up at all.

COURSE DESCRIPTION:  
Advanced techniques in lighting, cinematography, and recording.

PREREQUISITES:  
COMM 3313: Production I
STUDENT LEARNING OUTCOMES:
Demonstrate advanced skills in cinematography, lighting, and audio production techniques at the scene level through the execution of a series of diverse media exercises.

Illustrate advanced methods of visual storytelling and dramatic structure at the scene level through the production process.

Demonstrate advanced skills in producing, media project management, and critical analysis through team driven production projects and screenings.

Formulate a comprehensive understanding of the media landscape and industry employment through readings, class discussions, and research.

ALL ASSIGNMENTS MUST BE TURNED IN ON THE ASSIGNED DATE:
Assignments turned in after the due date will receive a 3-point deduction for each day that it is late. No exceptions other than for family tragedy or medical emergencies (w/documentation). If you turn in late work, it is your responsibility to follow up and confirm that the work has been received. No make-up quizzes or incompletes will be given for this course.

ATTENDANCE POLICY:
Strict attendance is required. There are no “excused” absences other than medical emergencies for which a physician’s care is required and that can be documented in writing or validated by the University Health Center. Such documentation or validation must be at the student’s initiative. All documentation must be submitted within one week (seven days) after you return to class.

After the second (2nd) absence (excluding documented, medical emergencies as just noted), the course grade will be reduced by one-third of a letter grade (3.33 points on a 100-point scale) for each absence. After the fifth (5th) unexcused absence, the student will be given a failing grade in the course. Tardiness or early departure from the class will be considered an absence unless the instructor has been informed and has approved, in writing, of mitigating circumstances.

DROPPING A CLASS:
Merely stopping attendance and participation WILL NOT automatically result in being dropped from the class. Please consult with me before you decide to drop to be sure it is the best thing to do. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form.

CLASSROOM/PROFESSIONAL BEHAVIOR:
Texas A&M University-Corpus Christi, as an academic community, requires that each individual respect the needs of others to study and learn in a peaceful atmosphere. Under Article III of the Student Code of Conduct, classroom behavior that interferes with either (a) the instructor’s ability to conduct the class or (b) the ability of other students to profit from the instructional
program may be considered a breach of the peace and is subject to disciplinary sanction outlined in article VII of the Student Code of Conduct. Students engaging in unacceptable behavior may be instructed to leave the classroom. This prohibition applies to all instructional forums, including classrooms, electronic classrooms, labs, discussion groups, field trips, etc.

E-cigarettes are not permitted in class. They are a distraction and can cause problems for those with allergies.

Texting and cell phone usage in class is highly discouraged, as you will likely miss important details pertaining to course content. If it becomes a problem, then points will be deducted from your participation grade.

DISABILITIES ACCOMMODATIONS:
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall, Room #116.

The University uses an online Degree Audit system. Any amendment must be approved by the Department Chair and the Office of the Dean. All courses and requirements specified in the final degree plan audit must be completed before a degree will be granted. The CLA Academic Advising Office is located in Driftwood #203. Students who feel that they have not been held to appropriate academic standards as outlined in this class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details on the process of submitting a formal grade appeal, please visit the College of Liberal Arts website, http://cla.tamucc.edu/students/studentinfo.html.
