Course Description  
This course is an introduction to American philosophy and the influential movement known as ‘Pragmatism’. We will focus on three major philosophers from the classical period: Charles Sanders Peirce (1839-1914), William James (1842-1910), and George Santayana (1863-1952). Our primary concern will be with epistemological and metaphysical issues: scepticism, the rejection of foundationalism, the role of belief in inquiry, verification and meaning, the nature of truth, and the idea that the habits of human conduct must provide the basis for philosophical analysis. No familiarity with the material will be presupposed but familiarity with the history of modern philosophy is definitely an asset.

Course Objectives  
Successful completion of the course provides you with both a historical and a philosophical understanding of classic American philosophy. You will know the origins and the significance of the pragmatist movement. You will deepen your understanding of perennial philosophical issues in the areas of epistemology and metaphysics. By the end of the course you will be conversant with the nature and origins of pragmatism; and you will be able to write philosophical essays on the major figures in American philosophy. Since much of our time is spent on close textual analysis, you will also improve your reading comprehension skills and strengthen your abilities to construct logical arguments. These outcomes will be measured through in-class quizzes and tests and take-home essay assignments.

Attendance
All materials discussed in lectures and covered in the readings are the potential basis for quiz and test questions. Students are therefore expected to attend all lectures and keep up with assigned readings. Attendance will be taken. Students who repeatedly miss classes without a reasonable excuse (e.g. medical) can expect to be penalized (up to a letter grade) on their final grade. If you don’t attend class, don’t expect to pass.

**Missed Test Policy**
Students unable to write a test for a *medical reason* must provide a doctor’s note. If a student is unable to write a test for a similarly serious reason, documentation may be required. Make-up tests will be written at an arranged time under my supervision.

**Freedom of Speech and Classroom Etiquette**
You are free to ask any question you please about the material. In many cases if you did not understand something, this is because it was not explained clearly to you, so you will be doing your colleagues and yourself a service if you request clarification. You are also free to argue for any philosophical position you find compelling, *as long as you provide reasons for your point*
of view. It is inevitable that during discussions individual points of view will differ. When they do, our reaction will *always* be to patiently listen to the reasons offered for a particular conclusion and cooperatively evaluate those reasons.

**E-etiquette**

*Turn off all cell phones before entering the classroom.* If your cell phone rings during class, I will stop the lecture. Any student who disrupts a lecture by using a personal electronic device will be asked to leave.

**Academic Advisement**

Academic advisors are available to assist students with course selection, degree plans, and other academic matters. Each college has an academic advising center, staffed by full-time, professional advisors. Students who have yet to declare a major are advised by the Academic Advising Transition Center. For more information please call (361) 825-5931 or log on to [http://www.tamucc.edu/~aac](http://www.tamucc.edu/~aac)

**Students with Disabilities and Veterans**

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall, Room 116.

If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.

**Grade Appeal Process**

Students who feel that they have not been held to appropriate academic standards as outlined in this class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details on the process of submitting a formal grade appeal, please visit the College of Liberal Arts website, [cla.tamucc.edu/students/studentinfo.html](http://cla.tamucc.edu/students/studentinfo.html). For assistance and/or guidance in the grade appeal process, students may contact the Associate Dean.
