**ATTENDANCE POLICY:**

ATTENDANCE AND PROMPTNESS IS REQUIRED – roll call is taken at the beginning of each class. Students should be prepared and ready to work and the full class period must be utilized.  
- **Tardiness** = arriving late or leaving early.  
- **Four unexcused absences** will lower the final grade by one letter.  
- **Subsequent absences** will lower the final grade by an additional letter for each absence.  
- **Two tardies = one absence**

Neglecting to arrive to class adequately prepared will also constitute as tardiness/absent. This means not having materials or preliminary drawings, or incomplete assignments/tasks. Tardiness/Absence also includes wearing headphones or using cellphones during demonstrations, lectures and critique.

Student Handbook: Students who are representing the University in an official capacity (i.e. athletes, Student Government Association) will be excused, but must make up all missed work. Students with these circumstances must make every attempt to save the three allotted absences for these obligations. If you anticipate missing four or more classes, you are urged to reschedule.
DEMONSTRATIONS:
Demonstrations are scheduled throughout the semester and demand full attention and good note taking. Impromptu demonstrations, assignments and quizzes will be given as the opportunities arise. Scheduled demos will not be repeated for tardy, absent, or negligent students. If you miss the demo, do not proceed with the assignment until you meet with me to discuss.

CRITIQUES
Critiques are crucial to the development of ideas, problem solving skills, and utilizing the language of constructive criticism. Students are required to fully participate in these exercises. Prints must meet the instructor’s required level of completion to be considered. All work must be clean, flat, and readily presentable. If these requirements are not met, the work will be considered late and will not be critiqued.

PORTFOLIOS/CRAFTSMANSHIP:
Printed Editions must be clean and flat – submitted for each grade between interleaving in a presentable portfolio.

SAFETY/CLEAN-UP:
STUDENTS ARE REQUIRED TO CLEAN UP AFTER THEMSELVES AT THE END OF EACH WORK SESSION. BE SURE TO LEAVE ENOUGH TIME AT THE END OF CLASS TO CLEAN. Materials are not to be left out during student absence. Continued negligence will affect the final grade. Be considerate and respectful of the studio space, Instructor Turner, and fellow classmates. Individuals engaging in uncooperative and/or unsafe behavior will be cautioned and instructed once by the instructor. Upon second violation, the student will be withdrawn from the course and given a "wd" with no refund of tuition or fees. All tools on loan must be returned at the end of the semester. Lost or damaged tools will be replaced at the student’s expense. A mandatory cleanup will be held on the last day of class. Failure to participate in the final cleanup will affect your grade.

ACADEMIC HONESTY:
Student Handbook: Students who violate academic integrity and regulations (see current University Catalog) by plagiarism, other academic dishonesty or disruptive behavior will be held accountable by faculty and may have their grades adjusted accordingly. Malicious plagiarism will be reported to the University for academic review and could potentially result in dismissal.

The following are considered violations:
• Submitting work that is not of your own making.
• Submitting work created for other classes or prior to the first meeting of this class.
• Copying in part or whole existing works of art/photographs /advertisements unless it is specifically stated in writing as part of the assignment.
• Disruptive or negligent behavior.

CELL PHONES: Are to be turned off or put on silent during class. No calls or texting. The first incident warrants a warning. Subsequent violations are equivalent to an absence.

GRADING CRITERIA: It is the student’s responsibility to fulfill class requirements, showing initiative and ambition in developing skills, ideas, imagery, and quality of work. Grades are designed to give students indication of creative growth and provide a record of achievement. Evaluative factors include:

- Creativity and inventiveness of imagery
- Maintaining an up to date sketchbook
- Development and execution of ideas
- Sensitivity in handling materials and process
- Demonstrated understanding and application of art elements (line, shape, space, texture and composition)
- Content: synthesis and compatibility of design, media, and concept
- Craftsmanship and technical skills
- Thoughtful, respectful participation in critique.
- Above all: EFFORT!

**GRADING SCALE:** 100 possible points

Elements of Design (30 points): Skillful use of the principles of art & elements of design.

Participation (20 points): Making meaningful contributions to critique & workshop atmosphere.

Content (20 points): Creative interpretation of the assignment – research and risk taking.

**NOTE:** Each assignment must be turned in on time for a grade, but portfolios turned in at the end of the semester determine the final grade. Critiqued and graded assignments (handed in on time), that have been significantly reworked and editioned in full, may be submitted for consideration of a positive grade change. Work turned in late may not be turned in for a higher grade.

Late assignments handed in anytime after the designated deadline will be penalized a full letter grade.

**GRADE INTERPRETATION:**

A  Superior work, distinguished mastery of course material – inventiveness, execution, craftsmanship, participation

B  Above average work, strong mastery of course material, active participation

C  Average work, application of learned techniques, materials, participation

D  Minimally acceptable execution of course material and participation

**LAB HOURS:**

Much of class time is reserved for demonstrations and critiques. A minimum of (10) additional hours a week is required for success. Do not wait until the day before critiques to finish work, PACE YOURSELVES!

**OTHER IMPORTANT INFORMATION**

**Disabilities Accommodations***

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall 116.

If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.

**ACADEMIC ADVISING:** The College of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. The Academic Advisor will set up a
degree plan, which must be signed by the student, a faculty mentor, and the department chair. The College's Academic Advising Center is located in Driftwood 203E, and can be reached at 825-3466.

Grade Appeals***
As stated in University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Web site at http://www.tamucc.edu/provost/university_rules/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Dean’s office in the college in which the course is taught or the Office of the Provost.
