XIV. Course Policies

Attendance/tardiness

Attendance Students are held accountable for class attendance and are advised that excessive absences may adversely affect their grades. Every instructor should clearly explain the policy on class attendance at the beginning of each course. If students are absent from class on approved university business (e.g., the intercollegiate athletics competition/travel, field trips, students research conferences, Board of Regents meetings), faculty members should count [the absence] as an excused absence and should not penalize the student. Students [absent from a scheduled class meeting because of approved university business] should be allowed to make up any required course work in advance or after return to campus. Students are responsible for informing instructors about the [approved university absence] in advance, so instructors can plan accordingly. If [students] have any doubt as to whether the activity in question is considered official university business, students should contact the Provost’s Office [for clarification]. Students are expected to attend all class meetings. Students are expected to be prompt. Any student entering the classroom after the first 10 minutes of class will be counted tardy unless the tardiness is deemed excused by the professor. Students are expected to be prepared with all materials needed for class.

Students in ECED 4350 are expected to attend all scheduled meetings on time unless they are on approved university business as described above.

The following criteria will be used for determining your final Attendance/Class Participation grade:

100 points = Perfect attendance, punctual (no absences; no tardies; no early departures);
90 points = One absence, or 1-2 tardies or early departures;
80 points = Two absences, or 3-4 tardies or early departures;
70 points = Three absences, or 5 or more tardies or early departures;
0 points will be awarded for more than three absences, or 6 or more tardies or early departures.
Late work and Make-up Exams

Late work will not be accepted unless extenuating circumstances, as determined by the professor, are present. Any exam not taken on the date scheduled may be taken at the time and date of the final exam. The makeup exam will not be in the same format as the original exam.

Extra Credit

Occasionally extra credit will be offered. However, this will be at the discretion of the professor, not the student.

Cell Phone/Electronic Device Usage

Unfortunately, society has become increasingly rude when using cell phone or electronic devices. Therefore, a class policy pertaining to use must be instituted. Unless the student is specifically directed to use the devices or in the case of taking class notes, all devices should be stored, turned to vibrate and not be used.

Academic Integrity/Plagiarism

University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, falsification, forgery, complicity or plagiarism. (Plagiarism is the presentation of the work of another as one’s own work.) In this class, academic misconduct or complicity in an act of academic misconduct on an assignment or test will result in a 0 or failure of the class depending upon the severity of the dishonesty.

Dropping a Class

I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with me before you decide to drop to be sure it is the best thing to do. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from the class. (April 7, 2017) is the last day to drop a class with an automatic grade of “W” this term.

Grade Appeals*
As stated in University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Web site at http://www.tamucc.edu/provost/university_rules/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Dean’s office in the college in which the course is taught or the Office of the Provost.

Disabilities Accommodations*
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. In the event of an unforeseen adverse event, such as a major hurricane and classes could not be held on the campus of Texas A&M University–Corpus Christi; this course would continue through the use of Blackboard and/or email. In addition, the syllabus and class activities may be modified to allow
continuation of the course. Ideally, University facilities (i.e., emails, web sites, and Blackboard) will be operational within two days of the closing of the physical campus. However, students need to make certain that the course instructor has a primary and a secondary means of contacting each student.
