### University & Course Policies
#### Classroom/Professional Behavior
Texas A&M University-Corpus Christi, as an academic community, requires that each individual respect the needs of others to study and learn in a peaceful atmosphere. Under Article III of the Student Code of Conduct, classroom behavior that interferes with either (a) the instructor’s ability to conduct the class or (b) the ability of other students to profit from the instructional program may be considered a breach of the peace and is subject to disciplinary sanction outlined in article VII of the Student Code of Conduct. Students engaging in unacceptable behavior may be instructed to leave the classroom. This prohibition
applies to all instructional forums, including classrooms, electronic classrooms, labs, discussion groups, field trips, etc.

**In-class Conduct**
In general, treat each other and the instructor with respect and follow standards of classroom behavior. Here are a few specifics:

- We may use cell phones or other electronic communication devices for class activities; otherwise place them out of sight (in a bag, purse, pocket) while in class.
- Do not talk or make excessive noise while the instructor or another student is speaking to the class as a whole.
- During group work time, please stay on task and work cooperatively with other group members.

**Attendance**
To earn daily, in-class points (toward your portfolio), you must be on time, come to class prepared, participate in all class activities, and remain in class for the entire period. Leaving early, coming in late, or refusing to participate in in-class work will result in zero credit for any in-class work that day.

**Late Work/Extensions**
If there is a crisis that prevents you from meeting a deadline or attending class, you can request an extension to turn the work in late without a penalty. The approval of an extension is entirely at my discretion and will depend on the reason for your absence, your record of completion of work, and attendance. All extensions must be confirmed by email.

**Academic Honesty/Plagiarism**
The University will not tolerate plagiarism or any other form of intellectual or academic dishonesty. Violations of academic honesty will be processed under the Procedure for Academic Misconduct Cases 13.02.99.C3.01 (see [http://ses.tamucc.edu/grievances.html](http://ses.tamucc.edu/grievances.html) and the Student Code of Conduct [http://judicialaffairs.tamucc.edu/assets/2013-2014StudentHandbook.pdf](http://judicialaffairs.tamucc.edu/assets/2013-2014StudentHandbook.pdf)). All cases of academic misconduct are recorded in the student’s file. Consequences are determined by the faculty member and/or the Academic Integrity Hearing Panel. It is sometimes difficult to understand what plagiarism actually is. Students sometimes commit unintentional plagiarism (not citing sources properly, for example), because they are unaware of the standards that apply. Plagiarism includes:

- using the work of another as your own,
- downloading or purchasing ready-made essays off the web and using them as your own,
- using resource materials without correct documentation,
- using the organization or language of a source without using quote marks and proper citation, or
- turning in a researched paper without citing sources in an appropriate documentation style.

Be aware that there are many ways to plagiarize. English 1301 and 1302 courses and the Writing Center at CASA will review rules of academic citation. Information academic citation is available at the Purdue University’s OWL: [http://owl.english.purdue.edu/](http://owl.english.purdue.edu/) and/or from our local Writing Center at CASA.

**Notice to Students with Disabilities**
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an
accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall 116. You can also visit their website at http://disabilityservices.tamucc.edu/ and contact them via e-mail at disability.services@tamucc.edu. If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom, or on campus, please contact the Disability Services office for assistance.

**Academic Advising**

The College of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. The Academic Advisor will set up a degree plan, which must be signed by the student, a faculty mentor, and the department chair. The College's Academic Advising Center is located in Driftwood 203E, and can be reached at 825-3466.

**Dropping a Class**

You cannot drop a TSI-mandated course. Discuss your options with your AIM mentor at CASA.

**GRADE APPEALS PROCESS:** Students who feel that they have not been held to appropriate academic standards as outlined in this class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details on the process of submitting a formal grade appeal, please visit the College of Liberal Arts website, http://cla.tamucc.edu/about/student-resources.html. For assistance and/or guidance in the grade appeal process, students may contact the Associate Dean.
