Aplia Online Homework Assignments
75
13 Aplia assignments: 11 chapters, 1 grammar tutorial, 1 writing tutorial

Aplia Online Homework Assignments: There are 13 required Aplia assignments over the semester, as indicated in the “Required?” column of the Aplia schedule (inside “Aplia Assignment” section of the Blackboard course menu). Each assignment has a due date after which the assignment is locked. Students may attempt each assignment up to 3 times before the deadline; the average of all attempts will be the score recorded. Only the top 10 (of 13) assignments will count toward a student’s grade. That means that students have three free passes. Please note that once a due date has passed, the assignment is no longer available. If students miss an assignment for any reason, legitimate or otherwise, that will count as one of their three free passes.

Students who only complete assignments as trial purchase recipients (never purchasing the product) will receive no Aplia points for any assignment.
In-Class Assignments

Miscellaneous In-class Assignments (? @ 5, 10, or 15 points each)

Course Grade Percentages: A letter grade will be determined based on the percentage earned of total points possible, as follows: A, 90-100%; B, 80-89%; C, 70-79%; D, 60-69%; F, 0-59%.

Monitoring Assignment Scores: Students are encouraged to monitor their assignment and test scores throughout the semester. All assignment scores are available in the “My Grades” section of Turnitin; no scores are kept in Blackboard, MindTap, or any other location. Students with a question or concern with an assignment grade need to express that concern with the course instructor within 1 week of the assignment score’s posting in Turnitin. After 1 week, students may not challenge an assignment score.

Borderline Grades: Students slightly below grade thresholds will have their course grades raised if they meet certain conditions:

Students 1 percentage point from a threshold (89, 79, 69, 59) must meet one of these conditions: (a) submitted all graded assignments (no zero scores appear on the Turnitin.com “My Grades” page), (b) attended all class sessions (including first day; excused absence considered an absence), (c) earned the higher grade on the final exam [student with 89% course average after the final would need to earn an “A” grade on the final to receive an “A” course grade], (d) completed and submitted all 10 Written Report assignments to Turnitin.com by the deadlines, or (e) delivered the Introduction and Conclusion for the team’s Oral Presentation #2.

Students more than 1 percentage point from a threshold (88, 78, 68, 58) will not have their course grades raised.

Course Policies

Exam & Assignment Policies

Missed Exams. Exams missed for any reason (other than required university-sponsored events) may not be made up. Students who miss an exam because of an excused absence will have their Final Exam worth a higher point total (# of points of the missed exam). Students participating in required university-sponsored events (athletic events, approved field trips, etc.) must complete make-up exams within one week; make-up exams not completed within one week will result in students completing the Final Exam worth a higher point total.

Missed In-Class Assignments. Students absent on the date of an in-class assignment may not complete and submit the assignment, even if they submit the assignment to Turnitin.com before the deadline. However, students who missed class because of a legitimate, excusable absence will receive “no score” (rather than zero) on any graded in-class assignments that occurred on that date—if they successfully complete and submit the
“Excused Absence Form” to the designated link on Turnitin.com within 1 week of the excused absence. Students may submit the “Excused Absence Form” for two absences.

Legitimate absences include family emergencies; sickness, one-time transportation problems (car won’t start, accident, etc.); and other legitimate, unpreventable circumstances. Inexcusable absences include work conflicts, other course conflicts, nonemergency doctor appointments, and other issues that could have been completed at another time. Athletes or other students involved in university-sponsored events missing an in-class assignment may either submit an “Excused Absence Form” (if any excused absence opportunities remain) or complete a make-up assignment provided by the instructor. The Excused Absence Form or the make-up assignment must be submitted within one week to avoid earning a zero score on the assignment.

Late Written Reports and Oral Presentations. Students are expected to complete assignments early in the assignment’s timeframe period. Students who wait until the end of the timeframe period to complete assignments, do so at their own risk. An assignment is considered late if it arrives after the designated deadline (The clocks on BlackBoard and Turnitin.com will be considered the official time; no other clock time will be considered). Due to the possibility of unforeseen circumstances such as technical difficulties or personal situations, you are encouraged to complete your assignments and quizzes in time to rectify any problems before the deadlines. Late assignments will be accepted on certain assignments for a designated period; however, an appropriate point reduction will be imposed.

No assignment may be submitted after the Final Exam.

Inattentiveness Policy

Computers are to be used only for websites or programs that apply to topics covered in this class; the instructor will indicate when the computers may be used. Students may not use computers during class time to view websites, e-mail, computer games, files, or programs unless told to do so by the instructor. In addition, students may not study for other courses, complete personal tasks (including cell phone usage of any kind), or any other activity not related to the class material being discussed at that time.

Students observed in obviously inattentive activities, such as those described earlier, may have their next exam score reduced by 1 point for each recognized offense.

Writing Deficiency Policy

This is a fast-paced, intensive course that will require a lot of outside work and preparation. It will be assumed that students have obtained acceptable composition skills as well as a good understanding of basic English grammar and punctuation rules. These will not be covered extensively in class. Students lacking in these basic skills are strongly advised to take a remedial writing course first.
The instructor will evaluate student writing competence continually throughout the course. Students with writing deficiencies will be advised to complete appropriate remedial action, ranging from individualized instruction at the Writing Center or with a tutor to enrollment in a remedial English course.

Written assignments with proofreading errors will automatically receive significantly reduced scores regardless of other commendable qualities.

**Attendance Policy**

Attendance is required. Each student, whether present or absent, is personally responsible for announcements made, assignments, lecture notes, class discussions, handouts, and videos. A student should consult with other students for missed announcements, lecture notes, and assignments.

**Academic Integrity/Plagiarism Policy**

University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, falsification, forgery, complicity or plagiarism. (Plagiarism is the presentation of the work of another as one’s own work.) Students may not collaborate on assignments or tests—either inside or outside the classroom. If one student’s assignment is too similar to that of a classmate’s, both students will receive zeroes regardless of which student did the copying.

This course, and all other courses offered by the College of Business (COB), requires all of its students to abide by the COB Student Code of Ethics (available online at www.cob.tamucc.edu). Provisions and stipulations in the code are applicable to all students taking College of Business courses regardless of whether or not they are pursuing a degree awarded by the COB.

**Dropping a Class**

I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with me before you decide to drop to be sure it is the best thing to do. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation **WILL NOT** automatically result in your being dropped from the class. **November 11** is the last day to drop a class with an automatic grade of “W” this term.

**Preferred Methods of Scholarly Citations**

APA style
Classroom/Professional Behavior

Texas A&M University-Corpus Christi, as an academic community, requires that each individual respect the needs of others to study and learn in a peaceful atmosphere. Under Article III of the Student Code of Conduct, classroom behavior that interferes with either (a) the instructor’s ability to conduct the class or (b) the ability of other students to profit from the instructional program may be considered a breach of the peace and is subject to disciplinary sanction outlined in article VII of the Student Code of Conduct. Students engaging in unacceptable behavior may be instructed to leave the classroom. This prohibition applies to all instructional forums, including classrooms, electronic classrooms, labs, discussion groups, field trips, etc.

Grade Appeals

As stated in University Rule 13.02.99.C2, Student Grade Appeals, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Rule 13.02.99.C2, Student Grade Appeals, and University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Web site at http://www.tamucc.edu/provost/university_rules/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Office of Student Affairs.

Disabilities Accommodations

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall 116.

If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.
Perspectives

Global Perspectives

Foreign and domestic cultural norms and values will be discussed as they relate to oral and written communication.

Demographic Diversity Perspectives

Diversity will be discussed as it relates to oral and written communication.

Ethical Perspectives

Ethical topics occur throughout the course. The textbook features some of these topics with its “Ethical Insights.” In addition, “Ethical Issue” critical thinking questions may be assigned.

Major Field Test

The Major Field Test (MFT) is required for all students pursuing the Bachelor of Business Administration degree and will be administered in the MGMT 4388 course, “Administrative Policy and Strategy.” To prepare for this test, business majors are advised to retain their class notes, textbooks, and other relevant materials from this class and the other business core courses. Students will enroll in BUSI 0088 “MFT Review” (concurrently with MGMT 4388) during their final semester; this online course should fine-tune their readiness for the MFT by encouraging them to complete the online MFT review materials and required quizzes available on the course Blackboard learning modules.
