MUSI 1116. Basic Aural Training  

I. Course Description: Companion to MUSI 1311. This course is designed to improve the sight singing and ear training skills of music majors using drills to develop aural awareness. Melodic, harmonic, and rhythmic dictation are emphasized.  

II. Student Learning Outcomes: After completing this course, students will be able to notate the music they hear (ear training) and vocalize the music they see (sight singing.) The meeting of these objectives is assessed by the periodic written and singing examinations.  

Provisional Course Outline  

- Sing stepwise melodies in bass and treble clefs (major keys) and recognize ascending intervals up to P5 – Weeks 1-2  
- Sing melodies containing 3rds, 4ths, 5ths, and major scales using letter names and recognize ascending intervals up to 8ve, dictating short melodies – Weeks 3-6  
- Sing melodies containing 6ths, 7ths and 8ves (in major and minor keys), and harmonic minor scales and recognize major and minor triads and dictate longer melodies containing the above intervals – Weeks 7-9  
- Sing longer and more complex melodies in major and minor keys and dictate longer, more complex melodies and harmonic progressions containing I, ii, IV and V – Weeks 10-14  

III. Attendance Policy
Since every class will cover new material, good attendance is essential for your success. Plan to attend every class meeting, with the reading assignment completed beforehand, and with your books in hand.

The attendance policy for this course is the following:
- You are allowed four absences from class for any reason. A student must be present for the majority of a class meeting to be counted as “present”.
- After the fifth absence (regardless of the reason), your final course grade will be lowered by one letter grade.
- After the sixth absence (regardless of the reason), you will receive a failing grade in the course.
- Arriving late or leaving early from class counts as ½ an absence.

Students who do miss class are expected to contact the instructor regarding any missed work. It is YOUR RESPONSIBILITY to find out what was covered and make up missed work as soon as possible. Because this course will move very quickly, late homework assignments will not be accepted (except with medical documentation). Assignments must be completed prior to the beginning of class and turned in at the assigned time.

Students who miss exams or quizzes will ONLY be allowed to make them up with either a written doctor’s excuse, a letter from a faculty member stating the student was involved in an official school function, or a death in the family. Make-up exams and quizzes are time-consuming and difficult to schedule and administer. Students should always strive to attend every class and especially every day with a scheduled quiz or exam.
