COURSE POLICIES

ACADEMIC ADVISING
The College of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. Degree plans are prepared in the CLA Academic Advising Center. The University uses an online Degree Audit system. Any amendment must be approved by the Department Chair and the Office of the Dean. All courses and requirements specified in the final degree plan audit must be completed before a degree will be granted. The CLA Academic Advising Office is located in Driftwood #203. For more information please call (361) 825-3466.
DISABILITY SERVICES
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall, Room #116.

If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.

GRADE APPEALS PROCESS
Students who feel they have not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details on the process of submitting a formal grade appeal, please visit the College of Liberal Arts website (http://cla.tamucc.edu/about/student-resources.html). For assistance and/or guidance in the grade appeal process, students may contact the Associate Dean.

ATTENDANCE/TARDINESS
Attendance is required. Students who miss more than 1/3 of the classes will automatically have 40 points deducted from their grade and thus cannot expect to receive a passing grade in the course. Students are required to arrive on time and depart at the end of the class, not before. Attendance will be taken in each class. Signing in for someone else is an act of academic dishonesty and will be handled accordingly. If you have work obligations that interfere with your ability to do this, please change your work schedule or consider dropping the course. The final grade will be lowered 2 points with each absence after the third. Late arrivals and early departures without permission of the instructor will not count as full attendance. If you miss class, please arrange with a fellow student to get handouts, notes and assignments.

LATE WORK AND MAKE-UP EXAMS
Make-up examinations are reserved for exceptional circumstances. If you find that you must miss an exam for any reason, please contact the instructor immediately, before the exam is given. If you miss an exam for medical reasons, please provide a doctor’s excuse or note from the campus health service. Make-up examinations will be given only with a doctor’s excuse or under exceptional circumstances that should be discussed with the professor before the examination. If a true emergency arises and you miss an examination, please notify the professor within 24 hours so that we can arrange an alternate time for you to take the exam before the graded exams are returned. In fairness to fellow classmates, late assignments/papers will not receive full credit – 10 points will be deducted from the grade for each day late. The University is now charging students for the proctoring of make-up examinations.
CELL PHONE/ELECTRONIC DEVICE USAGE AND CLASS COMPORTEMNT
Students are reminded that once they enter the classroom, they are expected to turn off cell phones and computer devices and place them out of sight, refrain from talking to neighbors and eating, and they should not leave the classroom unless absolutely necessary to use the bathroom or in case of emergency. The use of personal computers will be reserved for students with special needs and require a letter from Student Special Services. The teacher reserves the right to ask students to turn off all electronic devices and to remove them from their desks and laps.

ACADEMIC INTEGRITY/PLAGIARISM
Students are reminded of the university's strict prohibition against cheating and plagiarism. University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, falsification, forgery, complicity or plagiarism. In this class, academic misconduct or complicity in an act of academic misconduct on an assignment or test will result in a grade of 0.

Plagiarism is the presentation of the work of another as one’s own work. Students should be aware that all quoted material must be put in quotation marks and the reference cited. Paraphrasing requires completely rewriting the material, putting it into your own words. Passing off others’ work as your own is a violation of university academic policy, as is submitting the same paper to another class.

No academic dishonesty will be tolerated. If academic dishonesty is suspected, the disciplinary guidelines in the TAMUCC student code of conduct will be followed.

CLASSROOM/PROFESSIONAL BEHAVIOR
Texas A&M University-Corpus Christi, as an academic community, requires that each individual respect the needs of others to study and learn in a peaceful atmosphere. Students are expected to behave courteously and respectfully to everyone. Under Article III of the Student Code of Conduct, classroom behavior that interferes with either (a) the instructor’s ability to conduct the class or (b) the ability of other students to profit from the instructional program may be considered a breach of the peace and be subject to disciplinary sanction outlined in Article VII of the Student Code of Conduct. Students engaging in unacceptable behavior may be instructed to leave the classroom. This prohibition applies to all instructional forums, including traditional classrooms, electronic classrooms, labs, discussion groups, field trips, etc.
