PHOTO I – DIGITAL PHOTOGRAPHY

Class Description
This is an introductory studio course using digital cameras and image manipulation software. History of Photography will be discussed at length in order to better inform students of aesthetics and inspiration, as well as presentations of notable photographic works.

Learning Objectives
Student will learn basic photographic techniques using a digital (DSLR) camera.
Student will produce aesthetically pleasing images using electronic image manipulation.
Student will create well-composed images related to personal expression.
Student will have exposure to contemporary & historical photographs.
Student will participate in a total of 4 critiques.
Student will produce an edited Final Portfolio of 15 digital photographs.

The professor will supply a schedule for demonstrations, lectures, and critiques. Sometimes these dates will have to be modified for various reasons. It is the student’s responsibility to keep abreast of these possible changes, and the professor will do their best to update the student body with current information through emails and texts.

The class lectures and labs will meet in the Photography Building, otherwise known as the Blue Annex, MOD2, and will take place within the computer graphics digital lab, unless other arrangements are discussed during class. Use of the Critique Space and other facilities in the photography building may also be required periodically throughout the semester. Pay attention in class when future site arrangements are made.

This is a Studio Art Class. Students are expected to work independently and with the professor during the entire class time.

Major Course Requirements
1. CRITIQUES - A Critique is the equivalent of an exam. Assignments for critiques will be handed out to the class, along with dates and instruction. Sometimes these dates have to be modified because of weather, equipment problems or conflicts with other activities. If you know in advance that you will miss a critique, you may receive partial credit if you hand in your work early. IT IS YOUR RESPONSIBILITY TO KEEP UPDATED ON CHANGES TO THE SCHEDULE BY CONTACTING THE PROFESSOR OR OTHER STUDENTS.

Critique guidelines and extra-credit project opportunities will be shared in class and via handouts at the start of each assignment cycle, and it is the student’s responsibility to meet these requirements at DUE DATE, as well as addressing each with artistic intent, creativity, and merit.
2. EQUIPMENT – Safe, respectful and cooperative use of the equipment by students enrolled in the class is very important. No others (including family members, friends) may use the computers or printers.

Because art studios use materials and tools that could be dangerous, safe and cooperative behavior by students is absolutely necessary. The studio course instructor will be the ultimate judge of cooperative as well as safe and unsafe behavior. Individuals engaging in uncooperative and/or unsafe behavior will be cautioned and instructed once by the instructor. If a second occasion of uncooperative and/or unsafe behavior occurs, that student will be un-enrolled from the course and given a “WD” with no refund of tuition and fees.

Printers are for use for assignments for Photo I class only! Using color printers in the photography lab for other classes is considered improper use. Please do not print your photos during another instructor’s class time or lectures. Please do not use school printers for excessive/personal use. They are to be used solely for class projects.

Photo students are to use the facilities during Open Lab class times to DIGITALLY work on assignments (when lecture or demo is not scheduled) and during the posted LAB HOURS, while Lab Assistants and/or Instructors are available. Class time is not available for shooting assignments. All assignments should be shot outside of class time, and you should prepare accordingly.

The Photography Darkroom lab is for the use of students enrolled in Art 3365, 4365, 5306 and 5316 and may only be used during your assigned class time and the posted lab hours. Your professor or Photography Department Head, Jennifer Garza-Cuen must clear any exceptions to this rule, such as students working on a BFA, MA or MFA exhibition.

No food or drinks are allowed in the digital lab area.

**A Statement about lab/computer use, iPad use and phone use:** There will be no use of Facebook, email, other social media websites and the Internet in general during class. If you will be working on something relevant to the class, you will notify the professor of this use. You may not leave class for a personal phone call, unless it is an emergency. Texting, phone calls, etc. is only allowed during break times, which will be available. Please use class time for class projects only, and please be constructive with your time in the lab. In accordance with lab etiquette, please be aware of your surroundings, and respect the personal space and property of your fellow students. Loud music, loud speech, and over-all “loud behavior” will not be tolerated. Please be considerate of others working around you.

**The professor may ask you to leave the classroom (with a zero, absence for the day) if you do not follow these instructions!**

**CALCULATION OF GRADES**

Each critique will count as 20% of your final grade average.
There are 4 critiques, totaling 80% of your final grade average.
Class participation constitutes 10% of your final grade average; this includes attendance, discussion, lab participation, and general work ethic.
Your FINAL PORTFOLIO will constitute the remaining 10% of your final grade average. (15 of your best digital images presented within a professional and/or digital portfolio.)

Extra-credit assignments/opportunities will be discussed throughout the semester, with appropriate lectures.

Excessive absence may subtract from your final grade, see attendance policy.

REQUIRED TEXT

YOUR DIGITAL CAMERA MANUAL! (This is a very important little book. It may very well hold ALL of the magical secrets to your camera’s success! Please read it, and safely experiment with your new equipment.) If you do not have a manual for your camera, you may be able to find one online.

RECOMMENDED TEXT

The History of Photography, Beaumont Newhall, 5th Edition $27 (amazon)

A Short Course in Digital Photography, Barbara London, Jim Stone $48 (amazon)

Academic Integrity/Plagiarism

University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, falsification, forgery, complicity or plagiarism. (Plagiarism is the presentation of the work of another as one’s own work.) In this class, academic misconduct or complicity in an act of academic misconduct on an assignment or test will result in a failing grade on the assignment or in the class.

Grade Appeals

As stated in University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. These documents are accessible through the University Rules Web site at http://academicaffairs.tamucc.edu/rules_procedures/index.html. For assistance and/or guidance in the grade appeal process, students may contact the Dean’s office in the college in which the course is taught or the Office of the Provost. For complete details on the process of submitting a formal grade appeal, please visit the College of Liberal Arts website, http://cla.tamucc.edu/about/student-resources.html. For assistance and/or guidance in the grade appeal process, students may contact the Associate Dean’s Office.

Disabilities Accommodations

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall 116.

If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.

Academic Advising

The College of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. Degree plans are prepared in the CLA Academic Advising Center. The University uses an online Degree Audit system. Any amendment must be approved by the Department Chair and the Office of the Dean. All courses and requirements specified in the final degree plan audit must be completed before a degree will be granted. The CLA Academic Advising Office is located in Driftwood #203. For more information, please call 361-825-3466.

ATTENDANCE

Attendance is mandatory for your success, will be recorded during each class session and is considered as part of the professionalism element of your final grade.

- You will lose a single letter grade on your fourth (4) absence.
- Five (5) absences will result in the drop of another letter grade.
- Six (6) absences will result in the failure of the course.
- Three (3) late arrivals or early departures will result in the recording of one (1) full absence.
- Students are required to attend class for the duration of the scheduled time or until the Professor dismisses the class.
- Attending critiques are mandatory.
Have fun, experiment, and make creative photos!
