XIV. GRADE APPEALS

As stated in University Rule 13.02.99.C2, Student Grade Appeals, a student who believes the he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see the University Rule 13.02.99.C2, Student Grade Appeals, and University Procedure 13.02.99.C2.01, Student Grade Appeal Procedures. Dropping a class
I hope that you never find it necessary to drop this or any other class. However, events
can sometimes occur that make dropping a course necessary or wise. Please consult with
your academic advisor, the Financial Aid Office, and me, before you decide to
drop this course to be sure it is the best thing to do. Should dropping the course be the
best course of action, you must initiate the process to drop the course by going to the
Student Services Center and filling out a course drop form. Just stopping attendance and
participation WILL NOT automatically result in your being dropped from the class. (    )
is the last day to drop a class with an automatic grade of "W" this term.

XV. DISABILITIES AND ACCOMODATIONS

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that
provides comprehensive civil rights protection for persons with disabilities. Among
other things, this legislation requires that all students with disabilities be guaranteed a

you believe you have a disability requiring an accommodation, please call or visit
Disability Services at (361) 825-5816 in Driftwood 101.

If you are a returning veteran and are experiencing cognitive and/or physical
