**Major Field Test**

The Major Field Test (MFT) is required for all students pursuing the Bachelor of Business Administration degree and is administered as part of MGMT 4388, Administrative Policy and Strategy. Students must also be enrolled in BUSI 0088 to receive announcements regarding the MFT and to enroll to take the MFT. Students are required to meet a minimum score to be determined after the administration of the MFT. This minimum score will be based upon the mean score for all students in the College of Business.

Students who score above the minimum score on the MFT will receive their percentile score out of 100 possible points. Successful completion of the MFT is a requirement of MGMT 4388. Students who fail to score the minimum score for the MFT have not successfully completed the MFT, will receive no points for the MFT, and are required to retake the MFT.

Example 1: Student A scores at the 70 percentile on the MFT. Student A receives 70 points out of 100 possible points for the MFT and has successfully completed the MFT.

Example 2: Student B scores below the minimum score for the MFT. Student B receives zero (0) points, has not successfully completed the MFT, and is required to retake the MFT. Student B may earn the percentile score out of 100 possible points on the second MFT administration if the second MFT score is above the minimum score.
