Section: 001 and 002  Spring 2018
Name of Instructor: Dr. Carrie Pierce
Office Hours: TBA
Office: CA 129
Email: carrie.pierce@tamucc.edu

Course Name: String Ensemble

Course Description:

This course provides the student with the necessary instruction to acquire the skill to play in a string quartet. It will also provide general knowledge about the culture of bowed string instruments. This may include discussions on the history of the different members of the family and important performers of string instruments in general.

*** This is a working syllabus that can be revised during the course of the semester by the instructor. If there is a revision, an updated syllabus will be handed out both in class and via email.

Learning Outcomes:

After finishing this course students will be able to:

1. develop a sense of what it means to play in small string groups such as a string quartet.

2. be proficient in string quartet playing, including maintaining a sense of leadership within their own individual part while blending and cooperating with others.

3. learn how to perform chamber music in public.

4. develop a keen sense of rhythm, intonation, and quality of sound through the practice of chamber music.

5. if part of the Lichtenstein Quartet, learn how to teach beginner and intermediate string students in a one-on-one and group setting

Because this is strictly a performing course, the instructor will measure the student’s outcome by
evaluating each class session and the main performance (including teaching)

Course Materials:

1. The student should have a good instrument and keep it well maintained and adjusted. If I determine that your instrument needs repairs, you must repair it or find a replacement as soon as possible. Failure to do this may affect your final grade.

2. I will provide the repertoire that will be used throughout the semester. Make sure to bring your music to assigned coachings, rehearsals, and performances. Failure to do so will affect your grade in a negative manner.

3. Students should have proper concert attire for performances. In less formal occasions the instructor and students can come to an agreement about a different concert wear.

The instructor will grade each lesson individually and as a group. Ensemble preparation will get 25% of the grade and individual preparation will get the other 25% of the grade. Each lesson will have a grade from 1-100 for each item. They will be averaged at the end of the semester and this will become the lesson grade. The main concert will be worth 50% of the grade. The lesson grade will be averaged with the grade of the main concert and they will become the final grade.

Ensemble Policies:

Students need to maintain an atmosphere of respect with each other and learn how to work as a team. If a difficult situation arises between people in an ensemble outside of class, the issue should be discussed with me immediately. We will find a solution that will allow the accomplishment of the class objectives.

Course Outline:

Because the nature of this class, a specific outline by class session is impractical. Each class session is a coaching on how to perform and rehearse to prepare a musical program in a string quartet. The objectives to be cover during each week will depend on the different problems that arise during the preparation process.
