Course Policies

Attendance Policy

Students may miss up to one week of scheduled class meetings (excused or unexcused) before points are deducted.

- MWF = 3 absences
- MW = 2 absences
- TTH = 2 absences
- One class per week = 1 absence

Each additional unexcused absence will result in the loss of a letter grade (100 points) from final grade calculations. Attendance may be taken each day of class at the discretion of the professor. Tardiness, which results in a student missing the roll sheet, will count as one absence. It is the student’s responsibility to sign the roll sheet!

Technology in the Classroom

Today’s technology represents incredible advances to educational delivery; this course will utilize many technology resources to deliver content including Blackboard, YouTube, Google and other resources. However, technology also can serve as a severe distraction during class lecture, both for the student and the professor. Based on research studies, this course will incorporate a Non-Distraction Technology policy, which means students will NOT be allowed to use technology during class unless given specific permission by the professor. Technology devices forbidden during classroom lectures include but are not limited to: laptop computers, gaming devices, cell phones, media players, and any internet-capable device. Students who choose to break this policy will lose 10 points for each infraction.

Submission of Assignments (electronic and hard copy)
Submission of assignments should clearly identify the student and assignment for recording of grades. This is especially important with electronic submission. Each electronic file should be submitted as a Word Document with the student’s name and assignment in the file name.

Concert Etiquette and Expectations (Concert Reviews)
1. Arrive early so you can get a program for your review. This will help immensely in your enjoyment of the music. You may take notes using a pen/pencil and paper. Feel free to take notes on the program itself. You MUST have a program to receive credit for the concert reports.
2. Do not enter or leave the auditorium during the performance of the music. Wait until after the piece of music is finished to enter or leave the hall if you are late or sick, barring an emergency, of course. It is permissible to enter between
movements of a multi-movement work, however please take the closest available seat to not interrupt the performance.

3. Turn your cell phone or electronic device off. Do not use laptops, i-pods, cell phones, or any other electronic device to take notes during the performance; it is very distracting to other audience members and the performers.

4. No food or drink in the PAC.

5. Concert Reviews will only be given full points for reporting on the entire concert. You must report on both the first and last pieces performed.

Disabilities Accommodations

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall 116.

If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.

Academic Advising

The College of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. Degree plans are prepared in the CLA Academic Advising Center. The University uses an online Degree Audit system. Any amendment must be approved by the Department Chair and the Office of the Dean. All courses and requirements specified in the final degree plan audit must be completed before a degree will be granted. The CLA Academic Advising Office is located in Driftwood #203. For more information please call 361-825-3466.

Dropping a Class

I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with your academic advisor, the Financial Aid Office, and me, before you decide to drop this course. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from the class. (April 5) is the last day to drop a class with an automatic grade of “W” this term.

Grade Appeals
As stated in University Procedure 13.02.99.C2.03, Student Grade Appeals, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Procedure 13.02.99.C2.03, Student Grade Appeals. These documents are accessible online at: http://academicaffairs.tamucc.edu/rules_procedures/assets/13.02.99.C0.03_student_grade_appeals.pdf. For assistance and/or guidance in the grade appeal process, students may contact the Associate Dean’s office in the college in which the course is taught. For complete details on the process of submitting a formal grade appeal in CLA, please visit the College of Liberal Arts website, http://cla.tamucc.edu/about/student-resources.html.
