XIV. Course Policies

Attendance/tardiness
Attendance is crucial to your success in the program and your development as a professional. Attendance is expected and participation is critical. Please arrive to class on time and be prepared to stay until the class is dismissed. **Anyone who misses four face-to-face sessions (without a valid excuse) will have their final course grade reduced by one full letter grade.** Anyone who misses six face-to-face sessions (without a valid excuse) will **not receive a passing grade for the class.** Any combination of arriving late or leaving early constitutes one absence. Contact your instructor as necessary in this regard. You may be excused from attending a given class session if you are attending a school sanctioned activity or if you have a written doctor’s excuse. You must provide written authorization for University-sanctioned absences. It is your responsibility to check with fellow classmates for any missed work or assignments. If you are going to be tardy or absent, contact your instructor.

Attendance is taken at the beginning of each class. Attendance/participation/professionalism counts for 10%. Points will be deducted for use of cell phone, leaving the class excessively, talking in class while others are talking and other behavior that would be unprofessional in an academic setting.

Late work
No coursework will be accepted late without instructor approval. For each week an assignment is late, a letter grade will be dropped.

Extra Credit
Extra credit is not typically assigned in this course.

Cell Phone/Electronic Device Usage
Please demonstrate respect to your instructor/professor and your classmates. Your cell phone (calls and texts) should remain off; please instruct family to text you in case of emergencies only.

Please do bring a laptop computer (desired) or personal device (tablet, Surface, iPad, etc.) with you to each class. You will be using Blackboard’s learning management system for discussion threads during class. You will also be using Google Drive, which is used in nearly every school district.

Technical Difficulties
Since this class is a hybrid class, there will be class meetings (or partial class meetings) that will be online. You must have the ability to connect to the Internet, download required material, and post required materials as needed. TAMUCC provides wireless connectivity support. It is your responsibility to make sure your device is fully Wifi enabled upon entering class.

Class Conduct
The study of education in America allows us a dialogue and thus, an exchange of ideas and mores that may differ from the individual’s own. I provide and expect respect, courtesy, and open-mindedness
among all of us. Students, therefore, should exhibit mature online behavior. Online classroom responses should not be considered “chat room” activities. A classroom level of formality should be maintained in all email and discussion board communication. Students should refrain from a text messaging style of writing or “chat speak.” While the nature of the course requires the expression of divergent opinions, discrimination, abuse, harassment, or disorderly conduct in any form that inhibits or interferes with my educational responsibility to my students will not be tolerated in the classroom or online. Specific rules are available in the TAMU-CC Student Handbook and through the website http://judicialaffairs.tamucc.edu/studentcofc.html

Academic Integrity/Plagiarism
University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, falsification, forgery, complicity or plagiarism. (Plagiarism is the presentation of the work of another as one’s own work.) In this class, academic misconduct or complicity in an act of academic misconduct on an assignment or test will result in a zero and possibly a report to an academic officer.

Dropping a Class
I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with me before you decide to drop to be sure it is the best thing to do. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from the class. Check TAMUCC’s academic calendar for the term regarding the last day to drop a class with an automatic grade of “W” this term.
