Course Policies

Attendance/tardiness: Attendance is required for each class. Students are expected to arrive to class on time and to participate in class discussions and activities. Please be on time as a courtesy to your professor and others. If you are going to be absent or late the instructor should be notified at the
earliest opportunity. The student is responsible for informing the instructor if class attendance will be affected by “approved university business”.

In order for absences to be excused by the instructor and for a make-up activity opportunity to be approved, the student must provide the instructor reasonable warning of the absence at the earliest opportunity (such as a schedule of out-of-town games). Documentation of university-approved commitments is required by the instructor. Documentation for absences due to personal emergencies may be requested by the instructor. Make up opportunities will NOT be permitted for class-work or assignments missed due to UNEXCUSED absences, late arrivals or early departures. More than THREE (3) unexcused absences during the semester will result in the following consequences:

1. The student will be denied make-up opportunities with each UNEXCUSED absence.
2. The instructor will schedule a conference with the student to discuss meeting class responsibilities with the THREE (3) unexcused absence.

These policies are for your benefit and growth. As you are registered and committed to this class, I am committed to helping you to the best of my ability. If you are unwilling to be responsible for your own learning then you need to understand there are consequences that may affect your grade.

**Late work and Make-up Exams:** Assignments are due the day they are scheduled to be due at the time they are scheduled. MAKE-UP EXAMS are given only under dire circumstances in which prior permission from the instructor is required.

**Extra Credit:** N/A

**Cell Phone/Electronic Device Usage:** You may use your cell phone or electronic device in class to help you with an in class discussion. However, it is rude and inappropriate to be texting on your cell phones actively during class and will not be tolerated. Failure to observe this policy will result in being asked to leave the class.

**Academic Integrity/Plagiarism**
University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, falsification, forgery, complicity or plagiarism. (Plagiarism is the presentation of the work of another as one’s own work).

Disciplinary action for academic misconduct is the responsibility of the faculty member assigned to the course. The faculty member is charged with assessing the gravity of any case of academic dishonesty, and with giving sanction to any student involved. Penalties that may be applied to individual cases of academic dishonesty include one or more of the following:

1. Written reprimand.
2. Requirement to re-do work in question.
3. Requirement to submit additional work.
4. Lowering of grade on work in question;
5. Assigning grade of ´F´ to work in question;
6. Assigning grade of 'F' for course;
7. Recommendation for more severe punishment, such as dismissal from the program or from the University.

SafeAssign will be utilized to check submissions for plagiarism. See the University Catalog for more information.

**Dropping a Class**
I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with me before you decide to drop to be sure it is the best thing to do. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from the class. (Include date for semester) is the last day to drop a class with an automatic grade of “W” this term.
