TEXT: Adobe After Effects CC Classroom in a Book (2019 release) by Adobe Creative Team
ISBN-10: 0134853253

SPECIAL REQUIREMENTS:
- Work in the Editing Lab OUTSIDE of class time is required to be successful in this class!
- External Hard Drive (No USB 2.0, USB 3.0 or USB3.0 type-C)

COURSE DESCRIPTION:
Conceptualization and execution of digital media projects using visual effects, motion graphics and composition through the creation of video, animation, special effects and more using Adobe’s After Effects postproduction software.

PREREQUISITES:
MEDA 3315 Editing

STUDENT LEARNING OUTCOMES:
Upon successful completion of this course, students will be expected to:
- Create a Text, Logo and Puppet animation in After Effects
- Create a story with animated still images and sound design
- Analyze complex visual effects in movies
- Create workflows for the Creation of Basic Visual Effects
STATEMENT ON INCLUSIVITY, DIVERSITY AND TOLERANCE:
The spirit of inclusivity, diversity and tolerance is central to the ethos of the Media Production emphasis. No student will be denied positions of leadership based on race, gender, sexual orientation or intellectual perspective. Students will be chosen for positions of leadership on media projects based on an observed track record of excellence with consideration given to their expressed areas of interest.

As a fine arts emphasis, freedom of expression is a central tenant of our program. Therefore, no idea constructively advanced within the dictated structure of the classroom will be suppressed. All forms of creative expression, formally advanced, will be subject to the rigorous criticism central to the foundations of the fine arts tradition.

As an emphasis grounded in exploring the human condition, difficult, challenging and controversial subject matter will be explored in the classroom. Our work as artists and critical thinkers challenges us to face such difficult material with the greatest respect for divergent perspectives and to judge the merits of such subject matter through rational and civil discourse. The Media Production emphasis is committed to intellectual freedom and an environment of engagement that allows all students to contribute to this discourse in a constructive environment that fosters our evolution as media artists and critical thinkers.

EVALUATION AND FEEDBACK IN MEDIA PRODUCTION COURSES:
The Media Production Program uses a formal in-person criticism model for all feedback and evaluation. This process is born out of the fine arts tradition and allows students to learn by viewing other approaches to projects in addition to their own, hear multiple perspectives during criticism, and participate in the critical analysis of peer work. Each student’s work will be screened in a group setting and feedback will be offered by the Professor and by peers. This formal critique represents the feedback students will receive on projects. Students are free to schedule a time during office hours to view projects again with the professor if they feel further discussion is needed. Final grade evaluation will be determined by the Professor on creative projects using the standard Media Production Rubric.

ALL ASSIGNMENTS MUST BE TURNED IN ON THE ASSIGNED DATE:
No late assignments will be accepted. Assignments turned in after the due date will receive a zero. Incomplete assignments will be graded as is. No exceptions other than for family tragedy or medical emergencies (w/documentation). No incompletes will be given for this course.

ACADEMIC INTEGRITY/PLAGIARISM:
University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, falsification, forgery, complicity or plagiarism. (Plagiarism is the presentation of the work of another as one’s own work.) In this class, academic misconduct or complicity in an act of academic misconduct on an assignment or test will result in an F.

ATTENDANCE POLICY:
Strict attendance is required. There are no “excused” absences other than medical emergencies for which a physician’s care is required and that can be documented in writing or validated by the University Health Center. Such documentation or validation must be at the student’s initiative. All documentation must be submitted within one week (seven days) after you return to class.

After the second (2nd) unexcused absence (excluding documented, medical emergencies as just noted), the course grade will be reduced by 5 points (on a 100-point scale) for each absence. After the fifth (5th) unexcused absence, the student will be given a failing grade in the course. Tardiness or early departure from the class will be considered an absence unless the instructor has been informed and has approved, in writing, of mitigating circumstances.

Failure to attend class during the screening of your work will result in a zero on that assignment. This includes the final exam.

CLASSROOM/PROFESSIONAL BEHAVIOR:
Texas A&M University-Corpus Christi, as an academic community, requires that each individual respect the needs of others to study and learn in a peaceful atmosphere. Under Article III of the Student Code of Conduct, classroom behavior that interferes with either (a) the instructor’s ability to conduct the class or (b) the ability of other students to profit from the instructional program may be considered a breach of the peace and is subject to disciplinary sanction outlined in article VII of the Student Code of Conduct. Students engaging in unacceptable behavior may be instructed to leave the classroom. This prohibition applies to all instructional forums, including classrooms, electronic classrooms, labs, discussion groups, field trips, etc.

DISABILITIES ACCOMMODATIONS
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall 116.

If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.

ACADEMIC ADVISING:
The College of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. Degree plans are prepared in the CLA Academic Advising Center. The University uses an online Degree Audit system. Any amendment must be approved by the Department Chair and the Office of the Dean. All courses and requirements specified in the final degree plan audit must be completed before a degree will be granted. The CLA Academic Advising Office is located in Driftwood #203. For more information please call 361-825-3466.
DROPPING A CLASS
I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with your academic advisor, the Financial Aid Office, and me, before you decide to drop this course. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from the class.

GRADE APPEALS
As stated in University Procedure 13.02.99.C0.03, Student Grade Appeal Procedures, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Procedure 13.02.99.C0.03, Student Grade Appeal Procedures. For assistance and/or guidance in the grade appeal process, students may contact the Dean’s office in the college in which the course is taught or the Office of the Provost. These documents are accessible through the University Rules Web site at: http://academicaffairs.tamucc.edu/rules_procedures/assets/13.02.99.c0.03_student_grade_appeals.pdf.

South Texas Cinémathèque Screening Series
South Texas Cinémathèque, a collaborative screening series run by The Department of Communication and Media and the Art Museum of South Texas, is designed to broaden Media students’ exposure to independent film by bringing internationally recognized filmmakers to Corpus Christi, Texas for discussions, screenings and lectures. South Texas Cinémathèque’s past guests are recipients of some of the most prestigious awards given in independent film. The series gives students rare opportunities to interact with internationally recognized film artists while broadening their understanding of the filmmaking process.

Student Showcase
Each year the Production Track Student Showcase offers students an opportunity to screen their coursework to live audiences in a theatrical environment. Selective inclusion in the showcase provides students with networking opportunities and serves as a portfolio-building event.

Media Professional Program
The Media Professional Program gives Production Track Students diverse learning opportunities while working with active industry professionals on faculty led film projects. Students train with production experts in intensive shooting environments while serving in key crew positions such as Assistant Camera Operator, Production Sound Mixer, Script Supervisor, Assistant Director, Production Assistant and more.
