COURSE POLICIES

GRADE APPEALS PROCESS
As stated in University Procedure 13.02.99.C0.03, Student Grade Appeal Procedures, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Procedure 13.02.99.C0.03, Student Grade Appeal Procedures. For assistance and/or guidance in the grade appeal process, students may contact the Dean’s office in the college in which the course is taught or the Office of the Provost. These documents are accessible through the University Rules Web site at: http://academicaffairs.tamucc.edu/rules_procedures/assets/13.02.99.C0.03_student_grade_appeals.pdf.

ACADEMIC ADVISING
The College of Liberal Arts requires that students meet with an Academic Advisor as soon as they are ready to declare a major. Degree plans are prepared in the CLA Academic Advising Center. The University uses an online Degree Audit system. Any amendment must be approved by the Department Chair and the Office of the Dean. All courses and requirements specified in the final degree plan audit must be completed before a degree will be granted. The CLA Academic Advising Office is located in Driftwood #203. For more information please call 361-825-3466.

DISABILITY ACCOMMODATIONS
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please call or visit Disability Services at (361) 825-5816 in Corpus Christi Hall, Room #116. If you are a returning veteran and are experiencing cognitive and/or physical access issues in the classroom or on campus, please contact the Disability Services office for assistance at (361) 825-5816.

LATE WORK AND MAKE-UP EXAMS
Make-up examinations are reserved for exceptional circumstances. If you must miss an exam, please contact the instructor immediately, preferably before the exam is given. If you miss an exam for medical reasons, you must provide a doctor’s excuse or note from the campus health service. Make-up examinations are given only with a doctor’s excuse or under exceptional circumstances that should be discussed with the professor before the examination. If a true
emergency arises, you must notify the professor within 24 hours. In fairness to fellow classmates, late assignments/papers will not receive full credit – 10 points will be deducted from the grade for each day late.

ACADEMIC INTEGRITY/PLAGIARISM
Students are reminded of the university's strict prohibition against cheating and plagiarism. University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possession of examinations or examination materials, falsification, forgery, complicity or plagiarism. In this class, academic misconduct or complicity in an act of academic misconduct on an assignment or test will result in a grade of 0. Plagiarism is the presentation of the work of another as one’s own work. Students should be aware that all quoted material must be put in quotation marks and the reference cited. Paraphrasing requires completely rewriting the material, putting it into your own words. Passing off others’ work as your own is a violation of university academic policy, as is submitting the same paper to another class. With regard to take-home examinations, students are on their honor to do their own work and not to consult with others. Violation of this rule constitutes academic misconduct. No academic dishonesty will be tolerated. If academic dishonesty is suspected, the disciplinary guidelines in the TAMUCC student code of conduct will be followed.

CLASSROOM/PROFESSIONAL BEHAVIOR
Texas A&M University-Corpus Christi, as an academic community, requires that each individual respect the needs of others to study and learn in a peaceful atmosphere. Students are expected to behave courteously and respectfully to everyone. Under Article III of the Student Code of Conduct, classroom behavior that interferes with either (a) the instructor’s ability to conduct the class or (b) the ability of other students to profit from the instructional program may be considered a breach of the peace and be subject to disciplinary sanction outlined in Article VII of the Student Code of Conduct. Students engaging in unacceptable behavior may be instructed to leave the class. This prohibition applies to all instructional forums, including traditional classrooms, electronic classrooms, labs, discussion groups, field trips, etc.

DROPPING A CLASS
I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with your academic advisor, the Financial Aid Office, and me, before you decide to drop this course. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from the class.

STATEMENT OF CIVILITY
Texas A&M University-Corpus Christi has a diverse student population that represents the population of the state. Our goal is to provide you with a high-quality educational experience that is free from repression. You are responsible for following the rules of the University, city, state and federal government. In addition, the syllabus and class activities may be modified to allow continuation of the course. Ideally, University facilities (i.e., emails, web sites, and Blackboard) will be operational within two days of the closing of the physical campus.
