Objective:

Students will have the opportunity to participate as a member of the production team. Either as a member of the preproduction crew or a member of the run crew, students will develop the skills necessary to bring quality productions to the stage. Critical thinking, conflict resolution, leadership, and problem solving are some of the skills that will be earned through taking this course. As students advance in this course, the greater the responsibility that will be presented to them.

Student Learning Objectives:

1. The student will learn to manage their own time better, problem solve, quickly and efficiently handle any crisis, and meet difficult challenges as they arise in the creative, sometimes chaotic world that is theatre production.
2. The student will develop their technical skills based on hands on experience with technical theatre equipment ranging from basic to advanced.
3. The student will learn all about safety and safety equipment. Respect and care for the facilities in which the student will be spending a majority of their time will be achieved.
4. The student will learn how the various technical shops and production areas operate. They will eventually gain the skills and knowledge to organize and run those shops as a leader, foreman, crew head, manager, director, etc.
5. The student will learn to thrive on the collaborative and interdisciplinary process that goes into mounting a production.
6. The student will learn to always be early, always present, and ready so that can be a functioning member of the production team.
7. The students work to become the next leaders; serving their peers, promoting change and growth that will consistently better the department and productions.
8. The student will help chart the road to the future of our department.
9. Students will learn if students are willing.

Attendance:

Every Friday, there will be a department meeting in the Warren Theatre starting at 2 pm that may last up to, but not exceed, 4:30 pm. Each student enrolled in a Production Lab is required to attend the department meeting. Roll will be taken every Friday starting at 2 pm. Each student gets 2 unexcused absences. After that, for every meeting the student does not attend, a full letter grade will be dropped from their final grade. More than 4 excused or unexcused absences will result in a failure of the course.

Also for this class, students will be assigned to work in one shop area (scenery, props, costumes, lighting & sound) or be assigned to Front of House (FOH)/Public Relations (PR). Students enrolled in this course are required to work 30 hours for the semester (3 hours/wk). Each student is required to sign up for a weekly time to work in their respected shop at the majors and minors meeting. This is a commitment from the student for agreeing to come in at that time every week. Each week the student does not come in at that time, or does not clear it with their supervisor, it will count as an unexcused absence.
Strike:

Students are required to attend and contribute to one strike.

*Let the Right One In* – October 20th

*Hamlet* – November 17th

There will be a sign up sheet for each. There will also be a sign in & out sheet at each strike.

*Note: If assigned to FOH/PR crew, after your strike assignment is finished in your area, you should report Kevin before being excused from strike.

Working in a Shop:

Students will be assigned to a specific shop/area for their production lab assignment. Every week, students will come in and work for 3 hours. Hours can be scheduled in 3 hour blocks only. Each shop/area comes with a supervisor(s) that you will report to for work during your lab hours.

**Shop/Area Supervisors:**
- Scenery/Props/Paint - Kevin Loeffler & Jordan Bohl
- Costumes/Make-up - Rosa Lazaro & Erin Small
- Lighting & Sound - Philip Johnson
- FOH/PR - Meredith Melville

Student Designers will maintain their hours with the faculty member overseeing the respective areas.

Shop work is graded by hours and efficient use of time. The supervisor for each shop/area will determine efficient use of time while working in the shop. Students are expected to work diligently on their assigned tasks each time they are working. If a student does not come in through out the semester at their set time, they will be given an unexcused absence for each day. After 3 unexcused absences, the student will fail the course.

*Hours worked on any run crew will be counted as half of your 30 hours for your lab. Hours for strike and work calls are not counted towards your 30 hours.

Running a Show:

Students assigned to a running crew will be required to keep track of their hours. Run crew members will also be required to sign in and out for each performance with the stage manager for each show, every night the run crew is called. Run crew members are obligated to run any necessary rehearsals and performances as needed. Run crew schedules will be distributed by the stage manager for each show. If a student fails to attend any necessary calls for their run crew, this will result in a failure of the course.

Front of House/P.R.:

Students assigned to FOH/PR (minimum 2 shows) will be required to keep track of their hours. Students on these crews are obligated to watch final dress & run any necessary performances needed. Alison Frost will distribute FOH/PR schedules. If a student fails to attend any necessary calls for their assignment, this will result in a failure of the course.

*Note: If assigned to FOH/PR crew, after your strike assignment is finished in your area, you should report Kevin before being excused from strike.

Paper:

All students will be required to write a paper 750 words minimum (double spaced, 12pt font). This paper will be a reflection paper, telling good and bad experiences. You will also have a separate coversheet, which includes the following information: Name, Production Area (or Shop), Duty/Title, Production lab number (1101, 2100, 3100, 2101, 3101). Failure to write a paper is an automatic grade drop and could result in an F for this course. Your paper serves as proof that you did the work in the production lab. I will accept the papers as an email attachment or on Blackboard. Papers will be due by 11:59 pm on the last day of regular classes.
Grading:
Grades will be determined based on the following criteria: attendance (at the Friday meetings and your weekly shop time), strike participation, assigned crew work and the final paper.

(Plagiarism is the presentation of the work of another as one’s own work.) In this class, academic misconduct or complicity in an act of academic misconduct on an assignment or test will result in a failing grade for that assignment.

**Grade Appeals:**
As stated in University Procedure 13.02.99.C2.03, Student Grade Appeals, a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see University Procedure 13.02.99.C2.03, Student Grade Appeals.
