Course Description

Learn what it means to be a student and member of the Texas A&M University - Corpus Christi community in the two-semester sequence of First-Year Seminar (FYS). FYS explores different facets of college knowledge for academic and social success. As the integrative engine of a learning community, FYS engages students in a collaborative learning experience. By attending learning community courses with students, FYS faculty facilitate meaningful connections between linked courses. FYS students gain confidence in their individual skills and develop abilities for use in the academic community and beyond. UCCP 1102 emphasizes student success after the first year.

SEMINAR COURSE EVALUATION

PARTICIPATION AND ATTENDANCE – 30%
It is vital that you attend each and every class. There is nothing that we will do in here that is not important to your success in this learning community. To encourage attendance, I will be taking attendance every day. However, you are allowed two absences. Use them well. After the second absence, any extra absences will affect your grade. This class is a no phone zone when we are engaging in discussion and small-group work! DUE: Ongoing evaluation.

PODCAST FACILITATIONS – 15%
In groups of 4 or 5, you will be asked to facilitate a discussion of one of the podcasts that we will cover in large lecture (on Gleason’s syllabus). I will give you more details regarding this assignment in February. DUE: Dates specific to each group assignment!

FINAL REFLECTION – 20%
At the end of the semester you will turn in a reflection. The assignment will be written, 3-5 pages. I will give you more details regarding this assignment after spring break. DUE: May 5.
INTEGRATED ASSIGNMENT – 30%
Most of the work we will do in this course will relate to your other courses in the learning community, namely the Outline (10%) and Research Paper (20%) due for the large lecture class. These grades will count in this class as well. **DUE: Outline: March 3. Paper: April 14.**

FIRST-YEAR ISLANDER CONFERENCE & CAREER BUILDING EXERCISE (Wednesday, April 22 & Thursday, April 23) – 5%
All first-year students are required to attend one academic-related session and one career-related event at the First-Year Islander Conference. Students will be awarded extra credit in seminar for preparing a résumé before the event (5% extra for a total of 10). **DUE: April 22 or April 23.**

**Online Schedule**
A detailed schedule for this course can be found at: [https://www.tamucc.edu/wiki/AmyCarter/Home](https://www.tamucc.edu/wiki/AmyCarter/Home)

**Late Work**
Any major assignment (such as a reflection) will be accepted late, at a penalty of a half a letter grade per calendar day late. Please contact me in advance if there are extenuating circumstances that will cause you to miss a major due date. There will be no make-ups for missed daily grades.

**Electronic Device Policy**
Please refrain from the use of electronic devices during class, as it is distracting to not only you, but also to your instructor and peers. Laptops will be permitted for particular activities as deemed appropriate by the instructor.

**Academic Honesty**
University students are expected to conduct themselves in accordance with the highest standards of academic honesty. Academic misconduct for which a student is subject to penalty includes all forms of cheating, such as illicit possessions of examinations or examination materials, forgery, or plagiarism.

**Dropping a Class**
I hope that you never find it necessary to drop this or any other class. However, events can sometimes occur that make dropping a course necessary or wise. Please consult with your academic advisor, the Financial Aid Office, and me before you decide to drop this course. Should dropping the course be the best course of action, you must initiate the process to drop the course by going to the Student Services Center and filling out a course drop form. Just stopping attendance and participation WILL NOT automatically result in your being dropped from the class. **Friday, April 10** is the last day to drop a class with an automatic grade of “W” this term.

**Grade Appeal Process**
As stated in University Rule 13.02.99.C2.01, Student Grade Appeal Procedures, a student who believes that his or her final grade reflects academic evaluation which is arbitrary, prejudiced, or inappropriate in view of the standards and procedures outlined in this class syllabus may appeal the grade given for the course. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. If the student believes the matter is not satisfactorily resolved at the student-faculty level, an appeal of the final grade in the class may be submitted, in writing, to the First-Year Learning Communities Coordinator.
