Sheridan WYO Rodeo

Every year folks from all around look forward to the famous Sheridan WYO Rodeo for the carnival rides, funnel cakes, barrel racing, and bull riding, as well as stage bands, street dancing, bed races, and parades. The community arranges to put on this weeklong event years in advance. Local families volunteer and participate in these functions and the children and families in the photo are no different. Steeped in tradition, the local Crow Tribe demonstrate their native regalia as they ride on the back of a flat bed truck on this hot sunny July morning, nearing the end of the parade route.
